**I am a cooperative shareholder in Linden Towers Co-op #4 Inc. in  
Queens, NY. The rule change that your agency is proposing regarding  
the banning of the transfer fee (flip tax) in order for the bank to  
approve a mortgage would devastate our very existence.**

**There is no third party involved when a unit changes ownership  
in co-ops. All funds realized from the transfer of stock goes into the  
Corporations capital reserve account and is used for capital  
improvement, upgrades, and major repairs to the property. It is these  
funds that help middle class families and senior citizens on fixed  
incomes continue to live in affordable housing where they have made an  
investment.**

**Please do not impose this ban on us. Exempt New York from this  
proposal and allow us to continue to enjoy the quality of life  
environment we worked hard to achieve.**

**Sincerely,**
