Subject: RIN 2590-AA53 - Restore PACE programs now

Mar 15, 2012

General Alfred Pollard

Dear General Pollard,

(Please don't use my email address as part of the public record.)

Please restore the PACE program. As a former Lacey mayor and current energy efficiency advocate, I deal daily with the funding problems for those who want to install clean energy generation but don't have the ready cash to cover the investment.

Please withdraw the July 2010 directive that froze PACE programs and allow these programs to move forward. Hundreds of communities in the 27 states that have passed PACE-enabling legislation are counting on your agency to reinstate these programs at a time when we need them most.

It's the right thing to do.

Sincerely,

Mr. Graeme Sackrison
