FHFA FY 2017 List of Potential Competitive Opportunities Consolidated List

Project Description	Estimated Award Amount (including Options)	Planned Acquisition Strategy	Est. Award Date	Office or Division
---------------------	--------------------------------------------	------------------------------	-----------------	--------------------

Note, this information is always subject to change as requirements emerge over the year. The information is based on budget information and FHFA Contracting Officer's best assessment of competitive opportunities over Fiscal Year 2017.

Estimated Award Amount

SAT = Simplified Acquisition Threshold. The current SAT is \$150,000.

Acquisition Strategy

If possible, award will be made under a General Services Administration (GSA) contract schedule or Governmentwide Acquisition Contract (GWAC), such as NASA Solutions for Enterprise-Wide Procurement (SEWP). GSA Schedules, NASA SEWP, and other GWACs allow FHFA to compete requirements amongst a diverse mix of firms, including the ability to conduct small business set asides.

Open market requirements will be advertised on the Federal Business Opportunities Web Page as required by the Competition in Contracting Act.

TBD= To Be Determined.
