OTIM	IT Hardware (Monitors, Laptops)	>SAT	SEWP	1st Quarter

Note, this information is always subject to change as requirements emerge over the year. The information is based on budget information and FHFA Contracting Officer's best assessment of competitive opportunities over Fiscal Year 2021

(Fiscal Year quarters begin October 1, 2020 through September 30, 2021).

Estimated Award Amount

SAT = Simplified Acquisition Threshold. The current SAT is \$250,000.

Acquisition Strategy

If possible, award will be made under a General Services Administration (GSA) schedule or Governmentwide Acquisition Contract (GWAC), such as NASA SEWP. GSA schedules, NASA SEWP, and other GWACs allow FHFA to compete requirements amongst a diverse mix of firms, including the ability to conduct small business (SB) or Women-Owned Small Business (WOSB) set asides. Open market requirements will be advertised on the Contract Opportunities section on beta.sam.gov (the legacy Federal Business Opportunities site) as required by the Competition in Contracting Act.

TBD = To Be Determined.

Program Office Clients with Potential Competitive Requirements

DER = Division of Enterprise Regulation

DHMG = Division of Housing Mission and Goals

DOR = Division of Resolutions

OBFM = Office of Budget and Financial Management

OCAC = Office of Congressional Affairs and Communications

OEOF = Office of Equal Opportunity and Fairness
