Community Support Statement (FHFA Form 060) Instructions

Purpose: Section 10(g) of the Federal Home Loan Bank Act [12 U.S.C. § 1430(g)] sets forth the community support requirements. Under the Federal Housing Finance Agency's (FHFA) implementing community support regulation [12 CFR part 1290], FHFA is required to take into account a Federal Home Loan Bank (Bank) member's performance under the Community Reinvestment Act of 1977 [12 U.S.C. § 2901 et seq.] (federal CRA) and its record of lending to first-time homebuyers, in determining whether to maintain the member's access to long-term Bank advances and to a Bank's Affordable Housing Program (AHP) and targeted Community Investment Cash Advance (CICA) programs. For purposes of community support review, the term "long-term advances" means advances with a term to maturity greater than one year.

Part I. (CRA Standard): Members subject to the federal CRA must complete this part. Provide your institution's most recent federal CRA rating and the year of the rating. Credit unions and insurance companies, which are not subject to the federal CRA, should indicate "N/A" [i.e., not applicable] in the CRA rating field on this Community Support Statement. If your institution is not a credit union or insurance company and is not subject to the federal CRA, indicate the reason for the exemption. If a member's most recent federal CRA rating is "Needs to Improve," FHFA will place the member on probation. During the probationary period, the member will retain access to long-term Bank advances and Bank AHP and CICA programs. If the member does not receive an improved federal CRA rating at its next CRA evaluation, FHFA will restrict its prospective access to long-term Bank advances and Bank AHP and CICA programs. If a member's most recent federal CRA rating is "Substantial Non-compliance," FHFA will restrict the member's prospective access to long-term Bank advances and AHP and CICA programs. The restriction will remain in effect until the member's federal CRA rating improves.

Part II. (First-time Homebuyer Standard): All members, except those with "Outstanding" federal CRA ratings, must complete this part. A member may satisfy the first-time homebuyer standard either by: demonstrating lending performance to first-time homebuyers (Section A); or demonstrating other financial support or participation in programs, products, services or investments, that directly or indirectly assists first-time homebuyers (Section B); or by a combination of both factors. If none of the information requested in this part describes your institution's activities to support first-time homebuyers, you may attach a brief description of other activities of your institution that support first-time homebuyers, or a brief explanation of any mitigating factors that adversely affect your institution's ability to assist first-time homebuyers, such as charter or operational limitations or market conditions. If a member does not demonstrate assistance to first-time homebuyers or include an explanation of mitigating factors on this Community Support Statement, FHFA will restrict the member's prospective access to long-term Bank advances and Bank AHP and CICA programs. The restriction will remain in effect until the member submits applicable information to FHFA that demonstrates the member's compliance with the first-time homebuyer standard.

Part III. (Certification): All members must complete this part. A senior official of your institution with authorization to provide the information in this Community Support Statement must certify that the information in this Community Support Statement and any attachments are accurate to the best of his/her knowledge. If a member submits a Community Support Statement that does not include this required certification, FHFA will restrict the member's prospective access to long-term Bank advances and AHP and CICA programs.

Assistance: Your institution's Federal Home Loan Bank has a Community Support Program Representative that can assist you in preparing this Community Support Statement.
