Owner-Occupied Projects Market Study Guidelines	16

#### Overview

The Affordable Housing Program (AHP) facilitates the development of affordable rental housing and homeownership opportunities for very low-, low-, and moderate-income households. Through a competitive award process in the AHP General and Nevada Targeted Funds (Fund or Funds), the Federal Home Loan Bank of San Francisco (Bank) provides grants or subsidized interest rates on advances to members to finance their affordable housing initiatives.

The AHP is administered in accordance with the Federal Home Loan Bank Act and the applicable regulations and policies of the Federal Housing Finance Agency. All AHP subsidies are governed by these laws and regulations, as amended from time to time. To review the AHP regulations and amendments, visit the <a href="Code of Federal Regulations">Code of Federal Regulations</a>.

The Bank may withdraw its approval of any AHP application at any time and for any reason until the Bank has issued a written confirmation specifying the terms upon which the Bank will disburse the AHP subsidy award. Calculations in the application or exhibits to the application must be free of errors and consistent throughout. Applications with submission errors, omissions or inconsistencies that result in an incomplete analysis of the application may not be accepted. The Bank has ultimate discretion and authority as to the approval and rejection of all AHP subsidies. The interpretation and implementation of scoring criteria and financial standards shall be subject to the Bank's sole discretion.

Members and sponsors who receive AHP subsidies are required to submit periodic project reports to the Bank. In addition, each member that receives an AHP subsidy will be required to certify that the full amount of the subsidy has been passed on to the project and used in accordance with the terms of the AHP application, as approved by the Bank and applicable regulations. If a member or sponsor becomes aware that a subsidy is no longer being used as approved, the member and the sponsor must notify the Bank and must either cure the noncompliance, modify the project, or repay the amount of subsidy that is not used in compliance with the terms of the application.

Projects awarded subsidies must be completed, or have all homebuyer mortgages closed, and have all AHP subsidies disbursed prior to the four-year anniversary of the award; otherwise, the subsidy will be subject to cancellation. If, prior to four years from the award date, the Bank determines that a project has failed to make reasonable progress towards draw down of the subsidy and completion of all proposed units such that it is unlikely to complete the project within four years, the Bank may, in its discretion, cancel up to the entire amount of the AHP subsidy awarded to the project.

For each project that meets the minimum eligibility standards listed below, the Bank evaluates the application based on the extent to which the project meets the priorities and objectives of the AHP relative to the other applications submitted in the competition. The Bank scores and evaluates applications based on pre-established criteria, which are described in Attachment A, B, C and D of the Bank's AHP Implementation Plan. The Bank ranks applications within each Fund based on these scoring processes and awards funds to the highest-ranking feasible projects until it has awarded all funds available, except for any amounts insufficient to fund the next highest scoring application. For the General Fund, projects with identical scores will be ranked in descending order based on scores received in the Project Readiness, In-District, Housing for Households Requiring Large Units, and Community Stability categories. For the Nevada Targeted Fund, projects with identical scores will be ranked in descending order based on scores received in the Project Readiness, Small Rental Projects, Housing for Homeless Households, and Community Stability categories.

#### General Fund and Nevada Targeted Fund Guidelines & Minimum Eligibility Requirements

1. The AHP subsidy shall be used exclusively for:

The purchase, construction, or rehabilitation of an **owner-occupied** project by, or for, very low-, low-, or moderate-income households. A household must have an income meeting the income targeting commitments in the approved AHP application at the time it is qualified by the sponsor for participation in the project, or for

The purchase, construction, or rehabilitation of a *rental* project, where at least 20 percent of the units in the project are occupied by, and affordable for, very low-income households. For new construction or unoccupied renovation of an existing building, a household must have an income meeting the income targeting commitments in the approved AHP application upon initial occupancy of the rental unit. For projects involving the purchase or rehabilitation of rental housing that is already occupied, households must be income-qualified upon initial occupancy after completion of acquisition or rehab for projects with an approved relocation plan or at the time the application for AHP subsidy is submitted to the Bank for approval for projects without an approved relocation plan.

- 2. The project must demonstrate developmental and operational feasibility, and need for subsidy, in accordance with the Bank's Feasibility Analysis Standards. In the Bank's <a href="AHP Implementation Plan">AHP Implementation Plan</a>, see Attachment A, Exhibit 1 for Feasibility Analysis Standards for the General Fund and Attachment C, Exhibit 1 for the Nevada Targeted Fund.
- 3. The project's costs, taking into consideration the geographic location of the project, development conditions, and other non-financial household or project characteristics, must be reasonable, in accordance with the Bank's project cost guidelines, set forth in Attachment A, Exhibit 1 and Attachment C, Exhibit 1 of the Bank's Implementation Plan.
- 4. The rate of interest, points, fees, and any other charges for all loans that are made to the project shall not exceed a reasonable market rate of interest, points, fees, and other charges for loans of similar maturity, terms, and risk.
- 5. Some, or all, of the AHP subsidy must be likely to be drawn down by the project or used by the project to procure other financing commitments within 12 months of the date of award approval.
- 6. AHP subsidies may be used to pay for counseling costs only if such costs are incurred in connection with counseling of homebuyers who actually purchase an AHP-assisted unit, and if the cost of the counseling has not been covered by another funding source, including the member.
- 7. The project may use AHP subsidies to refinance an existing single-family or multifamily mortgage loan, provided that the refinancing produces equity proceeds and such equity proceeds up to the amount of the AHP subsidy in the project shall be used only for the purchase, construction, or rehabilitation of housing units meeting AHP eligibility requirements.
- 8. Each AHP-assisted unit in an **owner-occupied** project must be, or is committed to be, subject to a 5-year retention agreement described in the AHP Regulation.
- 9. Each AHP-assisted *rental* project must be, or is committed to be, subject to a 15-year retention agreement described in the AHP Regulation.
- 10. A project's sponsor must be qualified and able to perform its responsibilities as committed to in the AHP application by showing that it has sufficient capacity and staff experience to perform project roles and integral responsibilities through the entire AHP retention period. Sponsors must show they have been engaged in the ownership, management, or development of affordable housing for a 1-year minimum.

- 11. The project, as proposed, must comply with applicable federal and state laws on fair housing and housing accessibility, including, but not limited to, the Fair Housing Act, the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and the Architectural Barriers Act of 1969, and must demonstrate how the project will be affirmatively marketed.
- 12. The maximum subsidy per project is limited to \$2,000,000 in the General Fund and \$1,250,000 in the Nevada Targeted Fund.
- 13. There is no limit on the number of applications a member may submit, but collectively the total amount of subsidy requested by any member cannot exceed \$15 million in the General Fund and \$15 million in the Nevada Targeted Fund.
- 14. The project may not use AHP subsidy to pay for processing fees charged by members for providing AHP direct subsidies to a project, capitalized reserves such as operating, replacement, transition, or social service reserves, or for periodic deposits to reserve accounts, operating expenses, or supportive service expenses.
- 15. Completed projects, defined as projects that have received their final Certificate of Occupancy, Notice of Completion, and/or final building permit sign-off, may not apply for subsidy.
- 16. Multiple applications for AHP subsidy:
  - a) A project without an existing AHP award may apply to any FHLBank San Francisco AHP Fund and another FHLBank's AHP Fund. If the project demonstrates a need for both AHP awards, the project may keep both AHP awards. If the project demonstrates a need for only one AHP award but multiple awards are received, then the project must only accept one award.
  - b) An incomplete project with an existing FHLBank San Francisco AHP award that needs a larger AHP award must first withdraw its existing AHP award and repay any previously disbursed subsidy before submitting a new application for the larger award amount in a General Fund or Targeted Fund round.
  - c) A completed project with an existing AHP award still within the retention period, from FHLBank San Francisco or another FHLBank, may submit a new application in a General Fund or Targeted Fund round on condition that the existing subsidy is canceled and any previously disbursed subsidy is repaid.
  - d) Nevada-based projects may apply for AHP subsidies through both the General Fund and the Targeted Fund. Concurrent applications to both Funds must request the same amount of AHP subsidy. If a Nevada-based project scores high enough to be approved under both Funds, the application shall be approved under the Targeted Fund.
- 17. If the property owner, lessee, or sponsor acquires the project property from a party, affiliated in any way with the property owner, lessee, sponsor, or any other persons or entities involved in the project, in a non-arm's length transaction, the Bank will consider such acquisition to be a related party transaction. When evaluating related party transactions, the Bank may consider any net cash gain from the transaction as excess sources of funds, unless the gain is: 1) contributed to the project as owner equity, 2) provided to the project as carry-back financing, or 3) used to retire existing debt on the property.
- 18. In addition to the program guidelines and eligibility requirements listed above, projects applying to the Nevada Targeted Fund must be located in the state of Nevada.

19. A minimum of 20 percent of the units must be occupied by households at or below 50 percent of the applicable area median income (AMI).

More details on eligibility and program guidelines for the General Fund and Nevada Targeted Fund can be found in the Bank's <u>AHP Implementation Plan.</u>

Please note the following changes to the AHP Implementation Plan and application materials.

## **AHP Eligibility Requirements and Application Approval**

## **Maximum Per Project Subsidy Limit**

The maximum subsidy a project may request has been revised from \$1 million to \$2 million in the General Fund and from \$1 million to \$1.25 million in the Nevada Targeted Fund.

#### **Sponsor Eligibility**

The sponsor experience eligibility requirement in the General Fund has been revised from three years to one year.

## **Multiple Applications for AHP Subsidy**

Guidance for multiple applications in both the General Fund and Nevada Targeted Fund has been clarified as follows:

- A project may apply for and receive AHP awards from both the Bank and another FHLBank (as allowed by the other FHLBank's policies) provided that the project shows a need for both AHP awards. If only one award is needed, the project must only accept one award.
- An incomplete project with an existing AHP award from the Bank that seeks a larger AHP award must first withdraw its existing award and then reapply.
- A completed project with an existing AHP award that is still within the 15-year retention period from either the Bank or another FHLBank must also withdraw any existing awards before applying for a new AHP award.
- Concurrent applications to the Nevada Targeted Fund and General Fund must request the same amount of AHP subsidy in each Fund.

## AHP Application Scoring Criteria - General Fund and Nevada Targeted Fund

#### **Donated Property**

Guidance has been revised as follows:

- Donation transaction consummation must occur within five years of the application deadline or start of construction, whichever is earlier.
- Appraisals must be prepared by an appraiser certified in the state where the project is located.
- For projects owned via a long-term lease that are seeking credit for donation at a nominal value, annual lease payments must sum to \$1,000 or less during the 15-year retention period to receive points.

#### **Nonprofit Sponsorship**

A new subcategory has been introduced to the Nonprofit Sponsorship scoring category that awards two points to emerging Minority-Owned Business Enterprise (MBE) and Women-Owned Business Enterprise (WBE) developers. Points will be awarded to projects that meet both of the following criteria:

- 1. The project sponsor is a MBE and/or WBE developer, defined as meeting at least two of the three following criteria:
  - The sponsor's CEO or Executive Director is a minority or a woman.
  - The sponsor's Board of Directors is greater than 50 percent composed of minorities or women.
  - The sponsor's senior management (as defined by the organization) is greater than 50 percent composed of minorities or women.

2. The project sponsor organization has fewer than 5 years of development experience and/or has developed fewer than 5 projects in the past 10 years.

The sponsor must certify they meet these criteria using the AHP Emerging MBE/WBE Developer form.

Guidance has also been added to clarify documentation requirements for nonprofit sponsor ownership interest and developer fee. If a project is in construction at the time of application and there is a Limited Partnership Agreement or other agreement with the project's investor (LPA) in place, the ownership interest and developer fee percentage must already be documented by the LPA, or by an agreement that is referenced within the LPA, to receive points.

#### **Housing for Homeless Households**

Guidance has been revised to clarify that the fifth definition of homeless outlined below does not apply to most projects as it must be documented with funding guidelines from a government agency that specifically serves this population.

#### 5. An individual:

- a. With a serious mental illness or emotional disorder:
- b. Who would otherwise be considered at risk of homelessness as defined below; and
- c. Who will reside, alone or with their family, in a unit that is funded by a government agency program that specifically defines and serves households meeting the conditions outlined in a and b above.

### **Subsidy Per Unit**

The Subsidy Per Unit scoring category has decreased by two points, for a total of five points.

### AHP Application Scoring Criteria – Nevada Targeted Fund

#### **Project Readiness**

A new subcategory has been introduced to the Project Readiness scoring category that awards two points to projects already in construction, as evidenced by a Notice to Proceed.

#### **Housing for Homeless Households**

The Housing for Homeless Households scoring category has decreased by one point, for a total of five points.

#### **Small Rental Projects**

The Small Rental Projects scoring category has been reduced by one point, for a total of six points.

#### **AHP Application Financial Workbooks**

The Bank revised the 2024 AHP Nevada Targeted Fund Rental Application Financial Workbook to include the following:

 The upper limit of the Operating Cost Per Unit Per Year benchmark for the Nevada Targeted Fund has increased from \$5,400 to \$6,000.

#### **AHP Application Submission Instructions**

To submit an application in the 2024 AHP General Fund or Nevada Targeted Fund, the AHP Application and all related documents must be successfully uploaded to the appropriate secure portal workspace by Tuesday, March 5<sup>th</sup>, 2024, 5:00 pm Pacific Time. Before documents can be uploaded to the secure portal, a <u>workspace</u> must be created for each project, and authorized workspace representatives must be identified and authenticated to gain access. Only authorized representatives of the member and sponsor identified on the AHP Secure Portal Workspace Set-up Request will be permitted to submit documents for a specific project. Co-developers and consultants are not permitted access to the secure portal workspace. The electronic submission of the AHP Application will serve as the official AHP Application submission. The Bank cannot accept AHP Applications via USPS, fax, courier, or email.

## **AHP Application Submission Process**

- 1. Request a secure portal <u>workspace</u> for the AHP Application by completing and emailing the <u>AHP Secure Portal Workspace Set-up Request</u> to <u>ahpportal@fhlbsf.com</u>. Secure portal workspace requests must be received by **Tuesday**, **February 27**<sup>th</sup>, **2024**, **5:00** pm **Pacific Time**.
- 2. Download the AHP Application Materials from the <u>Resources</u> section of the Bank's website and complete all required application documents, as shown on the following AHP Application Checklist.
- 3. Make sure all attachments are clearly referenced in the AHP Application.
- 4. Complete the Financial Workbook. Review the "Workbook Instructions and Notes" tab first to become familiar with important guidelines for each of the input tabs.
- 5. Upon completing the AHP Application and AHP Financial Workbook, use the AHP Application Comparison Worksheet in the Workbook to determine if the data entered in the completed Workbook matches the data entered in the completed AHP Application. If there are any inconsistencies, revise the AHP Application and the AHP Financial Workbook and re-run the AHP Application Comparison Worksheet.
- 6. Upon email confirmation of the creation of a secure portal workspace, upload all required AHP Application documents to the secure portal workspace, keeping in mind the following:
  - Upload AHP Application documents to the appropriate folder.
  - The AHP Application workbook must be uploaded as an .xlsx file and the financial workbook must be uploaded as an .xlsm file.
  - Upload supporting attachments as Adobe Acrobat PDFs.
  - Combine documents to be uploaded to each individual folder into a single file (e.g., all documents supporting responses in the Community Stability scoring category must be combined into one PDF document and uploaded to the Community Stability Features Documentation folder). Only one file is allowed in each individual folder in the secure portal workspace.
  - Do not include encrypted documents, they cannot be imported into our database.
  - Do not rename, move, or delete secure portal workspace folders.
  - Do not create new folders.
  - Do not restore files from the workspace recycle bin.
  - Upload only relevant documents. Do not upload blank ("not applicable") documents (e.g., if your project does not have donated or conveyed property, do not upload any documents to the "Donated or Conveyed Property Documentation" folder).
  - Note that re-uploading files into folders will overwrite previously uploaded files.
  - Exclude personal identifying information (PII), such as complete social security, driver's license, or financial account numbers, on any of the uploaded documents.
  - Ensure all documents uploaded for AHP Application submission are accurate, consistent, and final by the AHP Application deadline, Tuesday, March 5<sup>th</sup>, 2024, 5:00 pm Pacific Time. Only documents uploaded and submitted by the deadline will be considered.
- 7. During the review process, the Bank may contact member and sponsor representatives listed on the applications for additional information.

8. Identified representatives of the member and sponsor for each application will be notified of awards via email in late June 2024 and a list of all awards will be posted on the Bank's <u>website</u>. At that time, the member and sponsor grant recipients will be instructed by the Bank to complete a Direct Subsidy Agreement.

## **Index of Secure Portal Workspace Contents**

An AHP Application workspace should list the project's name at the top. The following folders should appear in your project's AHP Application workspace:

- AHP Application
  - (Upload Excel file: AHP 2024 General Fund Application or AHP 2024 Nevada Targeted Fund Application)
- Benchmark Deviation Documentation
- Committed Financing Documentation
- Community Stability Features Documentation
   (Upload signed AHP Community Revitalization or Economic Development Plan Area PDF file for General Fund applications, if applicable)
- Donated or Conveyed Property Documentation
- Financial Worksheets
  - (Upload Excel file: AHP Rental Application Financial Workbook or AHP Owner-Occupied Application Financial Workbook)
- Homeless Household Documentation
- HUD Income Limits
- Land Cost Validation
- Market Study (Owner-Occupied AHP Applications only)
- Native Housing Documentation
- Nonprofit Sponsorship Documentation
  - (Upload signed AHP Emerging MBE/WBE Developer PDF file, if applicable)
- Promotion of Empowerment Documentation (General Fund Applications only)
- Readiness to Begin Construction Documentation
   (Upload signed AHP Application Project Readiness Building Permit PDF file for General Fund applications, if applicable)
- Rental Subsidy Documentation
- Rural Status Documentation
- Site Control Documentation
- Qualified Buyers Documentation (Owner-Occupied AHP Applications only)
- Supplementary Application Materials
- Tax Credit Limited Partnership Agreement

\*Do not upload documents to the secure portal workspace that are not applicable. For example, if an item such as Rural Status Documentation does not apply to your project, leave that folder empty.

For more information, see <u>How to Upload AHP Documents</u>. For questions about uploading documents to the secure portal workspace, email <u>ahpportal@fhlbsf.com</u>, or call (415) 616-2542.

### **AHP Application Software Requirements**

Applicants must use Microsoft Excel 2007 (or later) in order to open, complete, and save the AHP Application. *Note: The file must be uploaded to the secure portal workspace in .xlsx file format.* 

## Selecting the Project Type to Start the AHP Application

When you have downloaded the AHP Application for the appropriate Fund and are ready to begin, select the project type (Rental or Owner-Occupied), and click "Start Application" on the right side of the screen. Note that once you have clicked the "Start Application" button, you will be taken directly to the AHP Application for the selected project type. You will not be able to return to the landing screen to re-select a project type. If you have selected the wrong project type and you have already saved the document, you will need to download a new AHP Application and begin again.

### **Navigation**

The AHP Application uses links to simplify navigation between various sections. Note that in this reference guide we use screenshots of the General Fund application, however the Nevada Targeted Fund application functions are identical. If you prefer not to scroll through the Application, use the links, generally displayed as <u>underlined and bolded blue text</u>, to "jump" to specific sections. You can return to the top of the AHP Application (table of contents) from anywhere in the AHP Application by either clicking the FHLBank San Francisco logo or "Back to Top" in the section headers:

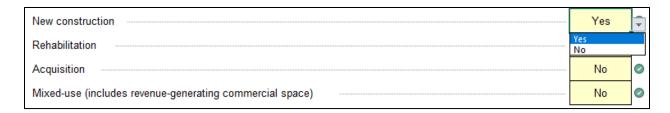

#### Completing the AHP Application

After selecting the AHP Application type (Rental or Owner-Occupied) from the landing page, you can begin filling out the AHP Application. The AHP Application is divided into several sections. Within each section are two types of fields: input fields that can be populated as you progress through the AHP Application, and read-only fields that will display information, such as totals, subtotals, counts, and percentages, based on data you have entered in other fields. Read-only fields cannot be edited.

All fields requiring an input are denoted with a small, yellow exclamation point icon ( ) to the right of the box. When a valid input has been entered, the exclamation point icon will automatically change to a green checkmark icon ( ). A field without an exclamation point icon is considered optional and does not need to be populated in order to complete the AHP Application. Note that a field's required vs. not required status may change as the AHP Application is populated with information.

There are two types of fields: free-form fields where you type a value, and fields with drop-down menus that display a list of acceptable values to select. For example, most Yes/No questions are presented as a field with a dropdown menu:

## **Data Validation & Warning Messages**

The AHP Application is designed to provide instant feedback on the validity of data entered into each field. All input fields − required or optional − will display a green checkmark icon ( ) once a valid response has been entered:

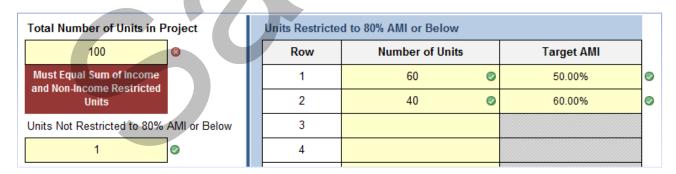

Conversely, a red x icon (♥) will be displayed for an invalid entry:

In some cases, the validation error will be a result of entering the wrong type of data into a field. For example, if a field requires a numerical value and you enter a text value, the AHP Application will display an error message that asks you to either change the value or undo the entry.

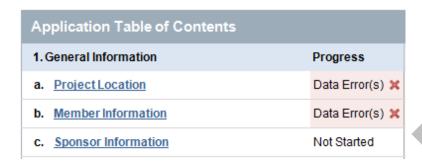

In other cases, the validation error will be a result of entering invalid information based on other entries made in the AHP Application. For example, if you specify that there are 100 Total Project Units, but enter 100 income-restricted units and 1 non-income restricted unit (making the total project units 101), an error message will display:

Note: If the AHP Application contains any validation errors, it will not be considered complete.

## **Error Indicators in the Application Table of Contents**

If an AHP Application contains any field-level errors, the Application Table of Contents can be useful in pinpointing exactly where the errors are by displaying an overall status of "Data Error(s)" in the Progress box next to a section name. For example, if there are field-level data validation errors in the Project Location and Member Information sections, the Application Table of Contents will indicate those error conditions:

#### **Application Progress**

As data is entered into the AHP Application, progress is automatically tracked and refreshed in real-time. Progress is tracked and displayed at both the overall AHP Application level **and** the Application section level. At the overall level, an AHP Application will be considered complete once **all** required fields have been populated with valid data and no fields, whether required or optional, have data validation errors.

Note: Only AHP Applications that are 100 percent complete should be uploaded to the AHP secure portal workspace.

### Saving the AHP Application

As with any Microsoft document, the AHP Application can be saved at any time by simply pressing the Save button in Excel or by pressing the Office Buttons (top-left corner of your Excel window) and clicking "Save." All AHP Applications must be saved in .xlsx format and uploaded as Excel files to the AHP secure portal workspace.

Contact the Community Investment Department at <a href="mailto:ahpportal@fhlbsf.com">ahpportal@fhlbsf.com</a>, or (415) 616-2542 with questions, or visit the <a href="mailto:Affordable Housing Program">Affordable Housing Program</a> section of the Bank's website.

Use this checklist to ensure the AHP Application package uploaded to the Bank's secure portal workspace is complete. Incomplete packages may be subject to disqualification.

#### **Interest Rate Assumptions Guidelines**

The following Guidelines are to be used to determine interest rates on permanent loans from a conventional financing source when a quote or loan commitment has not yet been received. If there is a quote or commitment, the rate should be within the range listed in these Guidelines, or an explanation should be provided in the financial workbook. To ensure consistent scoring standards and enhance fairness in the scoring process, the Bank will score and evaluate all AHP projects based on selected interest rates and guidelines. The Bank also considers a project's debt service payments and resulting cash flow when it analyzes a project's need for AHP subsidy. Interest rates on permanent loans directly impact a project's debt service and resulting cash flow; thus, it is important for sponsors and members to use realistic interest rate assumptions for the project's conventional financing.

Changes to interest rates will be taken into account by the Bank when it evaluates the actual amount of AHP subsidy needed by a project at the time the sponsor requests disbursement of the AHP funds or at the time of project initial monitoring. For example, if interest rates have declined since the award was granted, the project may need less subsidy at the time of disbursement because additional cash flow is available for debt service. In that case, the Bank will review current operating pro formas, development budgets, and other relevant information to determine how much, if any, of the subsidy is still needed and will adjust the award accordingly.

For 2024, rates as of December 31st, 2023 should be used in the calculation of a project's annual debt service and need for AHP subsidy if you do not have a permanent loan commitment. Please base your rate assumptions on the guidelines and rate tables on the following page or include documentation supporting the lender's interest rate in Committed Financing Documentation if a commitment is in place.

#### Guidelines

- 1. If the institution providing the loan has determined an interest rate at the time of Application, that rate may be used, regardless of current rates. Please document the interest rate and include in the Committed Financing Documentation.
- 2. All indexed rates are based on rates as of December 31st, 2023.
- 3. If the Application states that the loan to the borrower will be based on the Bank's Community Investment Program (CIP) rate plus a spread, please use the CIP rate for the applicable term plus the spread when calculating the project's debt service. (Refer to the CIP rate table on the following page.)
- 4. If the Application states that the loan to the borrower will price off another index that is published and obtainable for the selected date, please use that index as published for December 31<sup>st</sup>, 2023. **Please document the source of the rate quote and attach a copy of that document to the Application** (e.g., a page from Telerate, Bloomberg, Reuters, or *The Wall Street Journal*).
- 5. If the Application states that the loan to the borrower will price off the institution's own market rate, to be determined on an unspecified date in the future, on or near the loan's funding date, the rate used for purposes of scoring the application must fall within the range of CIP plus 150 basis points to CIP plus 250 basis points. (Refer to the CIP rate table on the following page.)
- 6. In cases where major sources of conventional financing are provided by lenders other than the member submitting the application, please follow the same guidelines for rate assumptions.
- 7. If the loan's maturity is nonstandard, impute a rate from the surrounding terms. For example, if the term is 17.5 years, then the rate assumed must be halfway between 15 and 20 years.
- 8. If the project proposes the sale of mortgages in the secondary market, and the subsidy is the difference between the market price of the mortgage and the discounted price, please use mortgage price indications as of December 31<sup>st</sup>, 2023. Please document the source of the price quote and include a copy of that document in Committed Financing Documentation.
- 9. No rates shall exceed current market rates.

If you have any questions about these guidelines, please call the Community Investment Department at (415) 616-2542 prior to the application deadline of **Tuesday**, **March 5**<sup>th</sup>, **2024**.

# The following rates are as of December 31st, 2023.

Federal Home Loan Bank of San Francisco				
Rates as of	CIP	CIP Rate	CIP Rate	CIP Rate
12/31/23	Rate	+ 150 bps	+ 200 bps	+ 250 bps
1 month	5.54	7.04	7.54	8.04
2 months	5.54	7.04	7.54	8.04
3 months	5.54	7.04	7.54	8.04

Owner-occupied new construction projects (excluding self-help construction) are required to submit a market study or analysis to demonstrate the project's feasibility as required in the "Market Feasibility" field in the Project Type and Characteristics section, of the AHP Application.

To meet the minimum requirements, the market study or analysis must have been completed or updated within 12 months of AHP Application submission, and it should:

## Identify the primary and, if applicable, secondary market areas.

Provide a description of the boundaries for the primary market area (PMA) and the rationale for the PMA boundaries. The PMA must be the smallest geographic area from which the project will draw the majority of buyers. If there is compelling evidence to support that potential buyers will come from outside the primary market area, a secondary market area (SMA) may be included. If an SMA is included, describe the boundaries for the SMA and provide the rationale for the SMA boundaries.

## Describe neighborhood conditions.

Provide a description of neighborhood conditions, including land-uses and, for single-site projects, the use and status of adjacent properties. Include photos of the site, taken from the project site and of adjacent properties to the north, south, east, and west.

 Provide a summary of the demographic and economic conditions (current conditions, trends and projections) for the PMA and, if applicable, the SMA.

Include information on the number of households, household size, housing tenure, and income level by tenure; the area's economic and employment trends, including major employers in the immediate area, their status in terms of growth and stability, and approximate number of employees earning income within the income band of affordability.

## Provide a summary of housing supply for the PMA and, if applicable, the SMA.

Include information on the number of units targeting the same population that are currently under construction or planned concurrently with the proposed project, including square footage and number of bedrooms and amenities; recent market activity and trends, including sales volume, sales prices and length of time on market for comparable units; age and condition of comparable units, if available; if the project is for first-time homebuyers, the number of comparable rental units, based on bedroom size, monthly rents for comparable rental units, and vacancy rates for comparable rental units.

#### Provide a summary of the project demand for the PMA and, if applicable, the SMA.

Include sources of demand for new units (renters entering the homeownership market or household growth resulting from natural growth and/or in-migration); the number of households (and renter households if first-time homebuyer) by household size with incomes sufficient to afford the average monthly mortgage payment for proposed units and less than the target AMI indicated on the Owner-Occupied Project Benchmarks worksheet.

#### Provide a copy of the Marketing Plan.

Describe how the units will be marketed.

#### Describe other factors that may influence the project's success.

Include the availability of homebuyer education and counseling services, the availability of lenders to provide financing, and the strength of real estate agents to market units.

## Provide a summary and a conclusion.

Include the strengths and weakness of the proposed project; whether demographic and economic conditions point toward a growing or weakening demand for the proposed units; expected absorption period or marketing timeframe, stated as the number of months that it will take to sell all proposed units; and sources of data and information.

## Affordable Housing Program (AHP) Application

## **AHP General Fund 2024**

I'd like to fill out an AHP General Fund Application for an

Rental Project

Owner-Occupied Project

Start Owner-Occupied Project
Application

The application, including all supporting documents, must be electronically submitted via the Federal Home Loan Bank of San Francisco's secure portal, no later than 5:00 pm Pacific Time, Tuesday, March 5, 2024. To be eligible to submit an application, a secure portal workspace must be created for each project by Tuesday, February 27, 2024, 5:00 pm Pacific Time.

For detailed information on application eligibility requirements and scoring category criteria, refer to the current Implementation Plan available on fhlbsf.com.

## Other FHLBank San Francisco Programs

Is the project using financing through the FHLBank San Francisco Access to Housing and Economic Assistance for Development (AHEAD) Program?
Is the project using financing through the FHLBank San Francisco Advances for Community Enterprise (ACE) discounted credit program?
Is the project using financing through the FHLBank San Francisco Community Investment Program (CIP) discounted credit program?
Is the project using financing through the FHLBank San Francisco Quality Jobs Fund?
Is the project also applying for financing through the AHP Targeted Fund?  If yes to any of the questions above, please specify the program and provide details, such as award number or name,
advance or letter of credit number, etc.  1000 character(s) remaining
Unique Financing Structures
Unique Financing Structures
A project may consist of one or more structures as long as all of the residential units in the structure(s) are included in the total project units. Units may not be distributed within one or more structures and be designated as separate projects. The Bank, in its sole discretion, may make an exception to this definition for a state tax credit agency "hybrid" project, or similar scenario, where certain residential units within a structure(s) are identified by a separate legal description and financed and operated independently.  Is this project considered part of a tax credit "hybrid" project where 4% and 9% credits are being used on the same project? Note that 4% and 9% portions of a hybrid project must submit separate applications.
Do the residential units in this project make up less than the total number of units within one or multiple structures?  For example, this application covers the renovation or new construction of 30 units, but there are 70 total units in the building.
If yes to either question above:
Is the submitted project defined by a separate legal description? For example, the 30 units have a separate legal description from the remaining 40 units.
Is the submitted project financed and operated independently from the remaining residential units in the structure? For example, the 30 units have a separate development and operating budget from the remaining 40 units.
Will the submitted project start and finish construction at the same time as the remaining units in the shared structure(s)? For example, the 30 and 40 units are legally separate and financed independently, but 70 units will be constructed at the same time.

Affordable Housing Program Application 6 of 39

Describe the project's financing, operations, and ownership structure as well as the legal separation of the residential units in this application from any remaining residential units within the same structure(s).
1000 character(s) remaining
If you are unsure about how to answer the questions above, refer to the definition of a project on page 4 of our <u>Implementation Plan</u> and contact the Community Investment Department at (415) 616-2542 with additional questions.
Supplemental Information
Is the project located on a military base?
Is the project located on Native American Land or Hawaiian Home Lands?
Is the project using financing through HUD Section 202 (Supportive Housing for the Elderly Program) as a permanent source of funds?
Is the project using financing through HUD Section 811 (Supportive Housing for Persons with Disabilities Program)as a permanent source of funds?
Is the project using financing through any HUD mortgage insurance program such as 221(d)(4) and 223(f)?
Is the project using financing through USDA Section 514 (Farm Labor Housing) as a permanent source of funds?
Is the project using financing through USDA Section 515 (Rural Rental Housing Loans) as a permanent source of funds?
▶ If yes, specify the HUD and/or USDA program(s):  1000 character(s) remaining

## **Project Description**

Unit income targeting information provided in this section must match the unit income targeting information on the financial worksheets.

Total Number of Units in Project	Units Restricted	d to 80% AMI or Below	
•	Row	Number of Units	Target AMI
	1		
	2		
Units Not Restricted to 80% AMI or Below	3		
	4		
	5		
Income-Restricted Units	6		
	7		
	8		
Total Manager Unit(s)	9		
	10		
	11		
	12		

Note: At least 20% of units must be targeted to 50% AMI or below.

For occupied rental projects, households are subject to income qualification to meet the AHP targeting commitments at one of two points in time:

- · Upon initial occupancy after completion of acquisition or rehabilitation for projects with an approved relocation plan, or
- At application for projects without an approved relocation plan.

This means that grandfathering-in households who were income-qualified at a move-in date prior to the AHP application is not allowed. For households whose incomes have increased during their tenure at the project, and now exceed the unit's original targeting designation, targeting commitments in the AHP application should reflect current household income. For example, the targeting for a unit where the household was income-qualified for a 50% AMI unit at move-in in 2015 who is now earning 80% AMI should be set at 80% AMI, not 50% AMI.

**Donation of Property** 

Indicate the number of donated units in the project and the source of the donation. Donated units are created as a result of the conveyance of units or land for a nominal price by the federal government or any agency or instrumentality thereof, or by any other unrelated party. Land leases may qualify for points in this category if the lease extends at least as long as the applicable AHP retention period and if the total cost of the lease payments during the retention period is nominal. A nominal price is defined as \$1,000 or less, and may be accompanied by modest expenses related to the conveyance of property for use by the project. Properties acquired from a federal agency or instrumentality at any price may receive 1 point. Properties acquired at an amount significantly below fair market value may receive up to 4 points.

Transaction consummation may occur prior to or after the application deadline. For properties that were donated or conveyed at a nominal or below market price prior to application, transaction consummation must have occurred within five years of the application deadline or start of construction, whichever is earlier. If the donation has not yet occurred by the application deadline, documentation of the price and other terms of the future donation must be legally binding. Consummated donation or conveyance at a nominal or below market price must ultimately be documented to maintain points.

**Points will not be awarded if supporting documentation is not submitted with the application.** No points will be awarded if **less than 20%** of project units or land associated with the project is: a) donated, b) conveyed for an amount significantly below fair market value, or c) acquired from the federal government or any agency or instrumentality thereof. Non-arm's length transactions, as determined at the sole discretion of the Bank, would be ineligible for points.

How many units in the project will be donated or conveyed to the project at no coor less?	ost or for a nominal price of \$1,000
Source of Donation/Conveyance	Acquisition Price
Term of Lease (Enter "n/a" if no lease and \$0 in annual lease payment.)	Annual Lease Payment

Qualified sponsorship must entail an ownership interest in a project through the entire AHP 15-year retention period as well as a sponsor meeting the eligibility criteria certified under Project Sponsor Profile. A copy of the sponsor's 501(c)(3) designation or other evidence of tax-exempt status must be submitted with the application. Articles of Incorporation and/or Corporate Bylaws are not acceptable evidence of tax-exempt status. The sponsor must be the parent organization and not an affiliate organization; however, the sponsor may demonstrate its ownership interest in the project through a wholly controlled affiliate. Affiliate organizations that do not generally qualify for project sponsorship include: the development affiliate of a nonprofit or housing authority, the project LP, a CHDO affiliated with the parent organization, an LLC affiliated with the parent organization.

If the project involves additional development partners or owners that are for-profit entities, the nonprofit sponsor or government entity sponsor must be able to certify that, taking into account without limitation, all agreements, side letters, and ancillary arrangements with a for-profit entity, it is: 1) not controlled or owned by any for-profit entity; and 2) not created or managed by any for-profit entity.

Points will be awarded based on the actual ownership interest and developer fee percentage in place on the AHP application deadline. Points will not be awarded for commitments that are made contingent on receipt of AHP funding that will be documented by future agreements or amendments to the Limited Partnership Agreement or other agreement with the project's investor (LPA). For projects not yet in construction at the time of application, ownership interest and developer fee percentage must ultimately be documented by the LPA, or by an agreement that is referenced within the LPA, to maintain points. If the project is in construction at the time of application and there is an LPA in place, the ownership interest and developer fee percentage must already be documented by the LPA, or by an agreement that is referenced within the LPA, to receive points.

All information provided in this section must be consistent with the information provided under Sponsor Information and Project Sponsor Profile

Sponsor	Classificatio	n
---------	---------------	---

# Type of Sponsor Organization

If this is a nonprofit organization, submit supporting 501(c)(3) documentation with the application.

## Are the following two statements true?

0

Status: Not Started

- 1) The project sponsor is not controlled or owned by any for-profit entity.
- 2) The project sponsor was not created by a for-profit entity or managed by a for-profit entity.

A nonprofit Sponsor must demonstrate that it meets these threshold requirements to the satisfaction of the Bank, at its sole discretion.

## **Project Ownership Interest**

For rental projects where a limited partnership owns or will own the project, and the general partner interest in the limited partnership is held all or in part by a qualified nonprofit or government entity sponsor, points are awarded based on the sponsor's percentage share of ownership of the general partnership. Submit an organizational chart of the rental project's ownership structure with the application.

If the project is not financed by Low Income Housing Tax Credits (LIHTCs), what is the ownership interest of the nonprofit sponsor in the project? Or, in a LIHTC project, what is the ownership interest in the general partner (GP) by the nonprofit sponsor(s)? If there is more than one nonprofit entity with an ownership interest, select the combined ownership interest of all nonprofits.

Indicate the number of units **reserved** for homeless households. Homeless housing includes transitional housing for homeless households that require a minimum of six months occupancy, or permanent owner-occupied or rental housing that reserve at least 20% of the units for homeless households. Overnight shelters and shelter units are excluded from receiving points in this category. Points will not be awarded if: 1) less than 20% of the total project units are reserved for homeless households, 2) reserved units are for those considered "at-risk" of homelessness, 3) length of residency is less than 6 months, or 4) transitional housing units do not meet the Bank's definition of transitional housing below. Projects that receive points in Housing for Special Needs Populations are not eligible to receive points in this category.

The Bank fully defines "homeless households" in its Implementation Plan, which should be reviewed prior to requesting homeless housing points. Homeless household means:

- 1. An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
  - a. An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation, including a car, park, abandoned building, bus or train station, airport, or camping ground;
  - b. An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations); or
  - c. An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;
- 2. An individual or family who will imminently lose their primary nighttime residence within 14 days and who has not identified, and lacks the resources or support needed to identify, other permanent housing.
- 3. Unaccompanied youth under 25 years of age, or families with children, who are defined as homeless under other federal statutes, have not recently been permanently housed, and have experienced, and can be expected to continue to experience, persistent instability.
- 4. Any individual or family who is fleeing or is attempting to flee domestic violence or other dangerous condition, has no other residence, and lacks the resources or support needed to obtain other permanent housing.
- 5. An individual with a serious mental illness or emotional disorder who would otherwise be considered at risk of homelessness as defined below and who will reside, alone or with their family, in a unit that is funded by a government agency program that specifically defines and serves this type of household. Note: This definition does not apply to most projects as it must be documented with funding guidelines from a government agency program that specifically serves this population.

The Bank considers a household to be "at-risk" of homelessness, and ineligible for points, if they are living in overcrowded conditions, living in the home of another individual because of economic hardship, living in a hotel or motel not paid for by charitable funds, or otherwise living in housing that has characteristics associated with instability.

At the time of initial monitoring, the Bank will require documentation confirming that the specified units have been reserved for homeless households meeting the Bank's definition of a homeless household. This documentation must include: 1) evidence that the households were referred to the project by an established organization or agency that has been providing services to the homeless for at least three years (homeless services provider), and 2) certification from the homeless services provider that the person or household referred meets the definition of homeless households stated above. For transitional housing where the Sponsor is also the homeless services provider, documentation may include an intake form, signed by both the head of household and the Sponsor, which verifies that the household met the Bank's definition of homeless household at move-in.

In order to receive points for projects with units reserved for homeless households that are shown in the application pro forma to generate rents set at the maximum for incomes greater than 30% of the area median, but which also have no dedicated source of rental subsidy, the Bank will require that the applicant: 1) explain how the project will be able to absorb the potential cash flow deficit caused by the homeless units during the retention period, and 2) submit documentation from a homeless service provider that sufficient households exist in the target market area that are able to pay the scheduled rent for the units reserved for homeless households.

Number of Units Reserved for Homeless	
Units must be held vacant until occupied by a homeless household. For transitional housing, enter the number of households as the number of units.	of projected
Describe the homeless program, including outreach activities, referral agencies used, and intake processes. Ho must reflect appropriate income targets and rent levels.	omeless units character(s) remaining
Does the number of units reserved for homeless households above include transitional housing?	
▶ If so, do the transitional units meet the Bank's definition of transitional housing as outlined in the following statements?	
Transitional housing means:	
<ol> <li>Housing for homeless households, as defined above, where the intention is for households to stay for at I months; and</li> <li>If the project is currently operational, most households do stay for at least six months or move into perma and</li> <li>Households do not need to pack up their belongings and vacate the premises during the day; and</li> <li>Supportive services, programs, or other efforts are available to help households transition out of homeles</li> </ol>	nent housing;
For statistical purposes only, is this project also serving special needs households?	

In order to qualify for points, the units must be held vacant unless a household with that special need occupies the unit. A unit may not be counted in more than one special needs category. Points will not be awarded if less than 20% of the total project units are reserved for special needs households. Projects that receive points in Housing for Homeless Households are not eligible to receive points in this category.

Special Needs Category	Number of Units
Seniors	
Mental or Physical Disability	
AIDS or HIV-Positive	
Recovery From Physical Abuse	
Recovery From Substance Abuse	
Total Units Reserved for Special Needs	
For statistical purposes only, is this project also serving homeless households?  Housing for Households Requiring Large Units (Maximum Points: 3)	Status: Not Starte
Estimated Score: 0	Status. Not Starte
Projects will be awarded 3 points for the creation of housing in which at least 20% of the total proje non-restricted units) have three or more bedrooms. Points will not be awarded if less than 20% of to or more bedrooms.	
Number of units with three or more bedrooms	

Points will not be awarded if: 1) less than 20% of the total project units and 2) the governmental entity designating the project as rural is not provided. Submit supporting documentation from the governmental entity with the application.

Number of Rural Units	Federal or State Government Entity Designating the Area(s) Rural
0	

### **Promotion of Empowerment (Maximum Points: 5)**

#### Estimated Score: 0

Points will be awarded to projects in which the housing is provided in combination with a program or programs offering economically empowering services and opportunities for all residents, such as workforce development readiness, financial literacy education, health care, on-site child daycare services, after-school care, out-of-school services or if a bonafide service coordinator/social worker will be available to residents.

Only services or programs that promote economic empowerment of residents qualify under this scoring criterion. Services or programs must be of a regular, ongoing nature and provided to all residents free of charge, except for daycare services. Services or programs must be provided on-site except that projects may use off-site services if they have a written agreement with the service provider enabling the project's residents to use the services or program free of charge. Referral services will not be eligible for points.

To receive points for a "sponsor provided" service, the plan describing the service or program must be submitted with the application. The plan must have been completed within six months prior to the application submission deadline date.

To receive points for a service or program provided by an organization other than the sponsor, an executed Memorandum of Understanding (MOU), service contract, or letter of commitment for the service must be completed by the provider of the service or program, and submitted with the application. The MOU, service contract, or letter of commitment must have been executed within six months prior to the application submission deadline date.

If supporting documentation is not submitted for a particular service or program selected, points will not be given for that activity. Documentation must include the following information: (1) service provider name; (2) service or program description; (3) scope of service or program; (4) service provider commitment to project; and (5) any costs to residents. Additionally, to receive points, you must complete the Promotion of Empowerment Budget in the Application Financial Workbook, showing annual projected expenses and sources of funding for the service(s).

Services must be available to all residents to receive points. If the service is available to the community at large, the documentation must indicate specific accommodations, special access, or preferences secured for residents.

**Indicate which services and programs will be provided to financially empower residents**. Each empowerment feature listed below is worth five points; however, no more than 5 points will be awarded in this category. No partial points will be given. To receive 5 points, the project sponsor must commit to providing at least one of the five empowering services or programs.

Status: Not Started

# **Project Services or Programs**

1. Training and Education  Services should include employment/workforce development readiness services or programs; vocational training; employment/career counseling and job placement; adult-accredited education programs that include English as a second	<b>①</b>
language, GED, and computer classes; or a life skills education program or financial literacy education program. Frequency of service requirements is bi-monthly (once every two months) or equivalent.	
2. Health Care Services or Programs, Including Mental and Behavioral Health Services	1
Services should include healthcare management programs that support residents' ability to find or sustain employment or be self-sufficient. These may include provision of medical, dental, mental health services, and behavioral health services such as psychiatric, marriage, and family counseling and addictions treatment.	<del></del>
3. On-site Child Daycare Services or Programs	0
Physical space for the service must be provided. Service must be from a licensed childcare provider for 20 hours or more per week, Monday-Friday. Program should provide daycare for children up to 6 years of age. The Program is distinct from an after-school or out-of-school program as described below.	
4. After-school Care or Out-of-school Services or Programs	0
Service should be provided for 15 hours or more per week. The service may be or may serve as a substitute for childcare, enabling the youth's parents or guardians to find or sustain employment. The program increases a youth's potential for personal and financial success by providing strong, supportive role modeling, supporting constructive behaviors, and contributing to a youth's development and interest in education. Program is for school-age children ranging in age from 5 to 17 years old. The program is distinct from on-site child daycare program as described above.	
5. Bona Fide Service Coordinator/Social Worker Available	U
Documentation supporting the experience and the duties of a service coordinator (not the on-site manager, for example) must be included in the application.	

1. Revitalizing Neighborhoods by Optimizing Project Site Use, or Preserving

#### Estimated Score: 0

Points will be awarded to projects based on the extent to which they promote community stability, such as by revitalizing neighborhoods by optimizing project site use, preserving affordable housing, being an integral part of a community revitalization or economic development strategy approved by a unit of the state, local, or federal government, promoting transit-oriented development and providing access to community amenities, incorporating the use of sustainable building techniques or standards, increasing homeownership opportunities and economic integration, and not displacing low- or moderate-income households, or if such displacement will occur, assuring that such households will be assisted to minimize the impact of such displacement.

Supporting documentation must be submitted for a particular stabilizing feature to receive points for that project feature.

	ffordable Housing  Maximum Points: 3
Se	lect one of the following five options, as applicable to the project:
0	Development on an Infill Site
	Development of housing on vacant and undeveloped parcels in dense areas, especially in urban and inner-suburban neighborhoods. The development takes advantage of existing infrastructure and promotes compact development that allows undeveloped land to remain open and green. For a site to be considered infill development, it must be at least 50% undeveloped (i.e. without existing structures), and at least 50% of its perimeter must adjoin parcels that are already developed with existing urban uses (i.e., any residential, commercial, industrial, public institutional, transit or transportation passenger facility, or retail use, or any combination of those uses).
	Documentation requirement: A recent aerial photo of the site showing the outline of the entire site.
0	Adaptive Reuse of Non-residential Buildings or Structures
	The conversion to residential use of non-residential buildings or structures such as, but not limited to, warehouses, schools, hotels, and hospitals.
	Documentation requirement: A photo of the existing property and other third party documentation validating the previous use. Documentation should clearly show the extent to which the project involves adaptive reuse.
0	Demolition of Vacant, Abandoned, or Substandard Buildings
	Demolition must either be undertaken by the Sponsor and demolition costs included in the development budget, or be undertaken by or at the direction of a public agency involved in the project for the express purpose of enabling the project's development. If demolition is undertaken by an entity that is not the project Sponsor, demolition must have occurred within five years of the application deadline.
	Documentation requirement: For projects involving demolition, dated photos of the site clearly showing the vacant, abandoned, or substandard condition of the structures to be demolished or documentation from a government entity validating the status of the property as vacant, abandoned, or substandard. Demolition undertaken by the Sponsor must have corresponding demolition costs shown in the development budget. For demolition undertaken by an entity that is not the project Sponsor, documentation must clearly show that the demolition was undertaken to enable the project's development and was completed within five years of the application deadline. Documentation can include land conveyance agreements or development agreements that clearly outline the demolition, demolition contracts, or any combination of documentation that supports the above requirements.
0	Substantial Rehabilitation of Vacant, Abandoned, or Substandard Buildings, which includes the preservation of affordable housing
	Documentation requirement: A project capital needs assessment prepared by a third party verifying that rehabilitation will extend the life of the property by at least 15 years.

### Number of amenities located within a 1/3 mile radius of the project

Project must be located within 1/3 mile radius of amenities appropriate and accessible to the project's population. One-half point will be awarded for each of the following eight items, up to a maximum of 2 points:

- o public park, recreational facility, or community center
- o public library
- o a grocery store of 5,000 gross interior square feet or more
- o health care facility or medical clinic
- o full banking services (check cashing or stand-alone ATM do not qualify)
- o public school (K-12), community college, or university
- o police or fire station, or post office
- o retail (i.e., clothing store, department store, hardware store, or pharmacy)

To receive points, the amenity must be in place at the time of application. Distances must be measured using a standardized radius from the development site to the target amenity. Points will not be given if the radius line crosses a significant physical barrier or barriers. Such barriers include highways, railroad tracks, regional parks, golf courses, or any other feature that significantly disrupts the pedestrian walking pattern between the development site and the amenity. The radius line may be struck from the corner of the development site nearest the target amenity, to the nearest corner of the target amenity site. However, a radius line shall not be struck from the end of an entry drive or on-site access road that extends from the central portion of the site itself by 250 feet or more. Rather, the line shall be struck from the nearest corner of the site's central portion. Where an amenity such as a grocery store resides within a larger shopping complex or commercial strip, the radius line must be measured to the amenity exterior wall, rather than the site boundary. The resulting distance shall be reduced in such instances by 250 feet to account for close-in parking.

Documentation requirement: Printout from the website of Google, Mapquest, or Walkscore clearly showing the project's distance relative to amenity. The map must be legible and have a clear scale and legend. Applications with non-contiguous scattered-site addresses will need to include multiple maps showing the distance from each property address to each relevant amenity. The Bank reserves sole discretion in determining the relevancy of the amenities and the suitability of the documentation in awarding points for this element.

Affordable Housing Program Application

Se	elect <u>one or both</u> of the following two options, as applicable to the project:
	Creation of Affordable Homeownership Opportunities
	Project must increase affordable homeownership opportunities in the targeted area. Rental projects with homeownership conversion plans qualify for points in this category.
	Documentation Requirements: Rental projects must submit homeownership conversion plan, such as a lease-to-own plan. Conversion plans must be legally enforceable for each resident.
	Location in High Resource Areas or Upper-Income Census Tracts
	All project units, including scattered site projects, must be located in a census tract(s), or census block group, designated as high or highest resource areas on the most current Opportunity Map, or equivalent area designated by a state or state Qualified Allocation Plan (QAP). If the state or QAP has no officially designated Opportunity Maps or other maps with designated high or highest resource areas, the project must be located in an upper-income census tract(s).  Documentation requirement: California projects must provide printout(s) of the state's Opportunity Map*. Non-California projects must provide printout(s) of the project census tract(s) from the website of the Federal Financial Institution Examination Council (FFIEC) showing the project's location in an upper-income census tract.
	* An applicant may choose to utilize the census tract(s), or census block group, resource designation from the high or highest resource maps in effect when the initial site control was obtained up to seven calendar years prior to the application.

Points will be awarded to projects where all units meet one or more of the following eligibility criteria. Indicate which eligibility criteria will be met by the project below. Supporting documentation must be submitted with the application to receive points.
1. Tribal Project Owner
Project owner is a Tribal Government, an agency of a Tribal Government, a Tribally Designated Housing Entity for the purposes of the Native American Housing Assistance and Self-Determination Act (NAHASDA), or an entity incorporated under or otherwise created in accordance with Tribal law.
A Tribal Government includes a Federally Recognized Tribe or an Alaska Village or Regional Corporation. Federally Recognized Tribe means American Indian and Alaska Native entities legally recognized by the United States Federal government and eligible to receive services from the United States Bureau of Indian Affairs. Alaska Village or Regional Corporation means Alaska Native entities established under the Alaska Native Claims Settlement Act of 1971 (ANSCA) and eligible to receive services from the United States Bureau of Indian Affairs. These entities may also be known as an Alaska Native Corporation or ANSCA Corporation.
Documentation of the project owner's Tribal status must be provided to receive points. Ownership information must be consistent with what is shown in the nonprofit sponsorship and project readiness categories, as applicable.
Project owner type

2. Tribal Funding	
Project includes Tribal Funding in its sources of funding, such as, but not limited to, Indian CDBG, Indian CSB NAHASDA funding. The amount of tribal funding included in the sources of funds must be an amount equal to percent (5%) of the rental project's total development costs or \$100,000.	
Documentation must show that that the Tribal Funding is secured at the time of application and the funding thr	reshold above is met.

Use of Donated or Conveyed Government-owned or Other Properties (Maximum Points: 5) Status: Not Started

#### Estimated Score: 0

Indicate the number of donated units in the project and the source of the donation. Donated units are created as a result of the conveyance of units or land for a nominal price by the federal government or any agency or instrumentality thereof, or by any other unrelated party. Land leases may qualify for points in this category if the lease extends at least as long as the applicable AHP retention period and if the total cost of the lease payments during the retention period is nominal. A nominal price is defined as \$1,000 or less, and may be accompanied by modest expenses related to the conveyance of property for use by the project. Properties acquired from a federal agency or instrumentality at any price may receive 1 point. Properties acquired at an amount significantly below fair market value may receive up to 4 points.

Transaction consummation may occur prior to or after the application deadline. For properties that were donated or conveyed at a nominal or below market price prior to application, transaction consummation must have occurred within five years of the application deadline or start of construction, whichever is earlier. If the donation has not yet occurred by the application deadline, documentation of the price and other terms of the future donation must be legally binding. Consummated donation or conveyance at a nominal or below market price must ultimately be documented to maintain points.

**Points will not be awarded if supporting documentation is not submitted with the application.** No points will be awarded if **less than 20%** of project units or land associated with the project is: a) donated, b) conveyed for an amount significantly below fair market value, or c) acquired from the federal government or any agency or instrumentality thereof. Non-arm's length transactions, as determined at the sole discretion of the Bank, would be ineligible for points.

How many units in the project will be donated or conveyed to the project or less?	ct at no cost or for a nominal price of \$1,000			
Source of Donation/Conveyance	Acquisition Price			
Term of Lease (Enter "n/a" if no lease and \$0 in annual lease payment	.) Annual Lease Payment			
Acquisition of Property from a Federal Agency				
How many units will be acquired from an agency or instrumentality of the	ne Federal government?			
Source of Acquisition/Federal Agency	Acquisition Price			
Term of Lease (Enter "n/a" if no lease and \$0 in annual lease payment	.) Annual Lease Payment			
Acquisition of Property Below Fair Market Value (FMV)				
How many units will be acquired at an amount significantly below fair market value?				
Source of Acquisition Ac	equisition Agreement Date Appraisal Valuation Date			

The property's FMV must be established by an appraisal from a federal, state, or local agency, or by an appraisal prepared by an appraisar certified in the state where the project is located. Appraisal valuation date must be within six months of either the acquisition agreement date or ultimate acquisition date. To qualify for points, the total sales price must be 20% or less of the property's fair market value. For ground leases, the annual ground lease payment, including any required residual receipts, must be 20% or less of the property's fair market value ground lease.

Appraised Fair Market Value

# Government Properties - HUD Government Properties - Other Federal Government Properties - State Non-Government Source

Sponsorship by a Not-For-Profit Organization or Government Entity (Maximum Points: 9)

#### Estimated Score: 0

Government Properties - Other
Government Properties - Local

Projects will be awarded points based on the extent to which the qualified nonprofit or government entity is integrally involved in the aspects of the project identified below, as determined by the Bank. A copy of the sponsor's 501(c)(3) designation or other evidence of tax-exempt status must be submitted with the application. Articles of Incorporation and/or Corporate Bylaws are not acceptable evidence of tax-exempt status. The sponsor must be the parent organization and not an affiliate organization; however, the sponsor may demonstrate its ownership interest in the project through a wholly controlled affiliate. Affiliate organizations that do not generally qualify for project sponsorship include: the development affiliate of a nonprofit or housing authority, the project LP, a CHDO affiliated with the parent organization, an LLC affiliated with the parent organization.

If the project involves additional development partners or owners that are for-profit entities, the nonprofit sponsor or government entity sponsor must be able to certify that, taking into account without limitation, all agreements, side letters, and ancillary arrangements with a for-profit entity, it is: 1) not controlled or owned by any for-profit entity; and 2) not created or managed by any for-profit entity.

All information provided in this section must be consistent with the information provided under Sponsor Information and the Project Sponsor Profile.

#### **Sponsor Classification**

Are the following two statements true?

Type of Sponsor Organization

If this is a nonprofit organization, submit supporting 501(c)(3) documentation with the application.

1) The project sponsor is not controlled or owned by any for-profit entity.

Status: Not Started

2) The project sponsor was not created by a for-profit entity or managed by a for-profit entity.

A nonprofit Sponsor must demonstrate that it meets these threshold requirements to the satisfaction of the Bank, at its sole discretion.

#### **Nonprofit Sponsor Involvement**

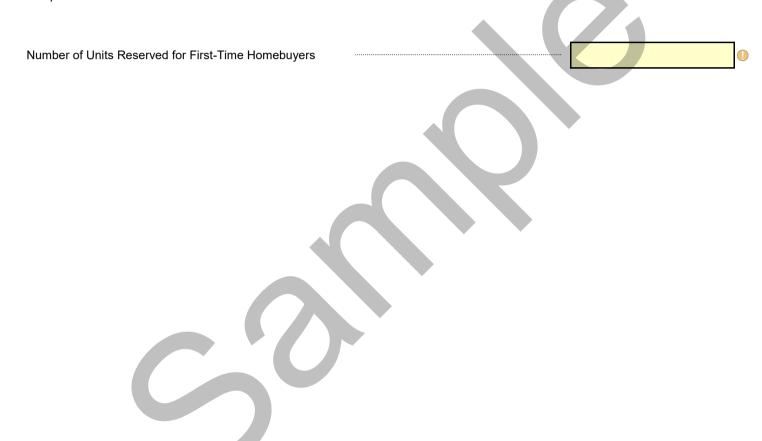

To qualify as a nonprofit sponsor of an owner-occupied project, an entity must be integrally involved by exercising control over the planning, development, or management of the project, or by qualifying borrowers and providing or arranging financing for the owners of the units.

Is the nonprofit sponsor integrally involved in:

The primary nonprofit project sponsor must receive at least 25% of any and all developer fee distributions.  Emerging Minority-Owned Business Enterprise or Women-Owned Business Enterprise Developer	
Points will be awarded to nonprofit Sponsors that are emerging MBE/WBE developers when at least 5 points have been the preceding two subcategories. The Sponsor must self-certify they are a MBE/WBE developer, defined as meeting two three following criteria:	
<ul> <li>The Sponsor's CEO or Executive Director is a minority or a woman.</li> <li>The Sponsor's Board of Directors is greater than 50% composed of minorities or women.</li> <li>The Sponsor's senior management (as defined by the organization) is greater than 50% composed of minorities or wo</li> </ul>	omen.
The Sponsor must also self-certify they are emerging, defined as having fewer than 5 years of development experience a having developed fewer than 5 projects in the past 10 years.	and/or
The signed AHP Emerging MBE/WBE Developer Form must be submitted with the application to receive points.	
Is the Sponsor organization an emerging MBE/WBE developer?	0

Points will not be awarded if less than 20% of the total project units are reserved for first-time homebuyers.

First-time homebuyers must meet one of the following requirements to qualify:

- a. The potential homebuyer or spouse has had no ownership in a principal residence for a three-year period ending on the purchase date of the property. If either qualifies under one of these requirements, both are considered First-Time Homebuyers.
- b. The potential homebuyer is a single parent who has only owned a home with a former spouse while they were married.
- c. The potential homebuyer is a displaced homemaker who has only owned a home with a spouse.
- d. The potential homebuyer is an individual who has only owned a principal residence not permanently affixed to a permanent foundation, according to applicable regulations.
- e. The potential homebuyer is an individual who has only owned a property that was not in compliance with state or local building codes and which cannot be brought into compliance for less than the cost of constructing a permanent structure.

Indicate the number of units **reserved** for homeless households. Homeless housing includes permanent owner-occupied housing that reserves at least 20% of the units for homeless households. **Points will not be awarded if: 1) less than 20% of the total** project units are reserved for homeless households or 2) reserved units are for those considered "at-risk" of homelessness. Projects that receive points in Housing for Special Needs Populations are not eligible to receive points in this category.

The Bank fully defines "homeless households" in its Implementation Plan, which should be reviewed prior to requesting homeless housing points. Homeless household means:

- 1. An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
  - a. An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation, including a car, park, abandoned building, bus or train station, airport, or camping ground;
  - b. An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations); or
  - c. An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;
- 2. An individual or family who will imminently lose their primary nighttime residence within 14 days and who has not identified, and lacks the resources or support needed to identify, other permanent housing.
- 3. Unaccompanied youth under 25 years of age, or families with children, who are defined as homeless under other federal statutes, have not recently been permanently housed, and have experienced, and can be expected to continue to experience, persistent instability.
- 4. Any individual or family who is fleeing or is attempting to flee domestic violence or other dangerous condition, has no other residence, and lacks the resources or support needed to obtain other permanent housing.
- 5. An individual with a serious mental illness or emotional disorder who would otherwise be considered at risk of homelessness as defined below and who will reside, alone or with their family, in a unit that is funded by a government agency program that specifically defines and serves this type of household. Note: This definition does not apply to most projects as it must be documented with funding guidelines from a government agency program that specifically serves this population.

The Bank considers a household to be "at-risk" of homelessness, and ineligible for points, if they are living in overcrowded conditions, living in the home of another individual because of economic hardship, living in a hotel or motel not paid for by charitable funds, or otherwise living in housing that has characteristics associated with instability.

At the time of initial monitoring, the Bank will require documentation confirming that the specified units have been reserved for homeless households meeting the Bank's definition of a homeless household. This documentation must include: 1) evidence that the households were referred to the project by an established organization or agency that has been providing services to the homeless for at least three years (homeless services provider), and 2) certification from the homeless services provider that the person or household referred meets the definition of homeless households stated above. For transitional housing where the Sponsor is also the homeless services provider, documentation may include an intake form, signed by both the head of household and the Sponsor, which verifies that the household met the Bank's definition of homeless household at move-in.

In order to receive points for projects with units reserved for homeless households that are shown in the application pro forma to generate rents set at the maximum for incomes greater than 30% of the area median, but which also have no dedicated source of rental subsidy, the Bank will require that the applicant: 1) explain how the project will be able to absorb the potential cash flow deficit caused by the homeless units during the retention period, and 2) submit documentation from a homeless service provider that sufficient households exist in the target market area that are able to pay the scheduled rent for the units reserved for homeless households.

Number of Rural Units	Federal or State Government Entity Designating the Area(s) Rural

#### **Promotion of Empowerment (Maximum Points: 5)**

#### Estimated Score: 0

Points will be awarded to projects in which the housing is provided in combination with a program or programs offering economically empowering services and opportunities for all homebuyers, such as workforce development readiness, pre-and post-homeownership counseling, sweat equity contribution, health care, on-site child daycare services, after-school care, out-of-school services or if a bonafide service coordinator/social worker will be available to homebuyers.

Only services or programs that promote economic empowerment of homebuyers qualify under this scoring criterion. Services or programs must be of a regular, ongoing nature and provided to all homebuyers free of charge, except for daycare services. Services or programs must be providing on-site except that projects may use off-site services provided that they have a written agreement with the service provider enabling the project's homebuyers to use the services or program free of charge. Referral services will not be eligible for points.

To receive points for a "sponsor provided" service, the plan describing the service or program must be submitted with the application. The plan must have been completed within six months prior to the application submission deadline date.

To receive points for a service or program provided by an organization other than the sponsor, an executed Memorandum of Understanding (MOU), service contract, or letter of commitment for the service must be completed by the provider of the service or program, and submitted with the application. The MOU, service contract, or letter of commitment must have been executed within six months prior to the application submission deadline date.

If supporting documentation is not submitted for a particular service or program selected, points will not be given for that activity. Documentation must include the following information: (1) service provider name; (2) service or program description; (3) scope of service or program; (4) service provider commitment to project; and (5) any costs to homebuyers. Additionally, to receive points, you must complete the Promotion of Empowerment Budget in the Application Financial Workbook, showing annual projected expenses and sources of funding for the service(s).

Services must be available to all homebuyers to receive points. If the service is available to the community at large, the documentation must indicate specific accommodations, special access, or preferences secured for homebuyers.

Indicate which services and programs will be provided to financially empower homebuyers. Each empowerment feature listed below is worth five points; however, no more than 5 points will be awarded in this category. No partial points will be given. To receive 5 points, the project sponsor must commit to providing at least one of the seven empowering services or programs.

Status: Not Started

#### **Project Services or Programs**

1.	Training and Education	0
	Services should include employment/workforce development readiness services or programs; vocational training; employment/career counseling and job placement; or adult-accredited education programs that include English as a second language, GED, and computer classes. Frequency of service requirements is bi-monthly (once every two months) or equivalent.	
2.	Pre-and Post-purchase Homeownership Counseling	0
	Pre-purchase counseling services should include core curriculum such as credit counseling, budgeting, money management, and predatory lending awareness and prevention counseling. Post-purchase counseling services should include core curriculum such as budgeting, maintaining good credit, calculating and understanding home equity, retirement savings, and foreclosure prevention. Pre-and post-purchase counseling should include workshops such as home maintenance, repair, and improvements.	
3.	Sweat Equity Contribution/Self-help	0
	Contributions should consist of a minimum of 250 hours of activities required of the homebuyers or their families directly related to the construction of the home.	
4.	Health Care Services or Programs, Including Mental and Behavioral Health Services	0
	Services should include healthcare management programs that support residents' ability to find or sustain employment or be self-sufficient. These may include provision of medical, dental, mental health services, and behavioral health services such as psychiatric, marriage, and family counseling and addictions treatment.	
5.	On-site Child Daycare Services or Programs	0
	Physical space for the service must be provided. Service must be from a licensed childcare provider for 20 hours or more per week, Monday-Friday. Program should provide daycare for children up to 6 years of age. The Program is distinct from an after-school or out-of-school program as described below.	
_		
ь.	After-school Care or Out-of-school Services or Programs	U
	Service should be provided for 15 hours or more per week. The service may be or may serve as a substitute for childcare, enabling the youth's parents or guardians to find or sustain employment. The program increases a youth's potential for personal and financial success by providing strong, supportive role modeling, supporting constructive behaviors, and contributing to a youth's development and interest in education. Program is for school-age children ranging in age from 5 to 17 years old. The program is distinct from on-site child daycare program as described above.	
7	Bona Fide Service Coordinator/Social Worker Available	
•	Documentation supporting the experience and the duties of a service coordinator (not the on-site manager, for example) must	
	be included in the application.	

1. Revitalizing Neighborhoods by Optimizing Project Site Use, or Preserving

#### Estimated Score: 0

Points will be awarded to projects based on the extent to which they promote community stability, such as by revitalizing neighborhoods by optimizing project site use, preserving affordable housing, being an integral part of a community revitalization or economic development strategy approved by a unit of the state, local, or federal government, promoting transit-oriented development and providing access to community amenities, incorporating the use of sustainable building techniques or standards, increasing homeownership opportunities and economic integration, and not displacing low- or moderate-income households, or if such displacement will occur, assuring that such households will be assisted to minimize the impact of such displacement.

Supporting documentation must be submitted for a particular stabilizing feature to receive points for that project feature.

	ffordable Housing  Maximum Points: 3					
Se	Select one of the following five options, as applicable to the project:					
0	Development on an Infill Site					
	Development of housing on vacant and undeveloped parcels in dense areas, especially in urban and inner-suburban neighborhoods. The development takes advantage of existing infrastructure and promotes compact development that allows undeveloped land to remain open and green. For a site to be considered infill development, it must be at least 50% undeveloped (i.e. without existing structures), and at least 50% of its perimeter must adjoin parcels that are already developed with existing urban uses (i.e., any residential, commercial, industrial, public institutional, transit or transportation passenger facility, or retail use, or any combination of those uses).  Documentation requirement: A recent aerial photo of the site showing the outline of the entire site.					
	Adaptive Reuse of Non-residential Buildings or Structures					
	The conversion to residential use of non-residential buildings or structures such as, but not limited to, warehouses, schools, hotels, and hospitals.					
	Documentation requirement: A photo of the existing property and other third party documentation validating the previous use. Documentation should clearly show the extent to which the project involves adaptive reuse.					
0	Demolition of Vacant, Abandoned, or Substandard Buildings					
	Demolition must either be undertaken by the Sponsor and demolition costs included in the development budget, or be undertaken by or at the direction of a public agency involved in the project for the express purpose of enabling the project's development. If demolition is undertaken by an entity that is not the project Sponsor, demolition must have occurred within five years of the application deadline.					
	Documentation requirement: For projects involving demolition, dated photos of the site clearly showing the vacant, abandoned, or substandard condition of the structures to be demolished or documentation from a government entity validating the status of the property as vacant, abandoned, or substandard. Demolition undertaken by the Sponsor must have corresponding demolition costs shown in the development budget. For demolition undertaken by an entity that is not the project Sponsor, documentation must clearly show that the demolition was undertaken to enable the project's development and was completed within five years of the application deadline. Documentation can include land conveyance agreements or development agreements that clearly outline the demolition, demolition contracts, or any combination of documentation that supports the above requirements.					
0	Substantial Rehabilitation of Vacant, Abandoned, or Substandard Buildings, which includes the preservation of affordable housing					
	Documentation requirement: A project capital needs assessment prepared by a third party verifying that rehabilitation will extend the life of the property by at least 15 years.					

Affordable Housing Program Application

**Not Applicable** 

	lect <u>one</u> of the following two options, as applicable to the project:			
0	Project is located within a Community Revitalization or Economic Development Plan Area			
	Project will be awarded points for being integral to a community revitalization or economic development strategy approved by a unit of the state, local, or federal government or instrumentality thereof, such as, without limitation, the following:  o Priority Development Areas o Redevelopment Areas o Federal Place-Based Initiative Areas			
	To qualify for points, the community revitalization or economic development strategy must be memorialized by a Plan that meets the following criteria:			
	<ul> <li>As of the application deadline, a government entity has formally adopted a Plan to revitalize a defined geographic area containing the proposed site. A standard Housing Element or General Plan is ineligible unless it contains a specific revitalization area where the site will be located.</li> <li>Completing the project proposed in the application would contribute to one or more of the Plan's stated goals.</li> <li>A government entity has made or is committed to making specific investments in non-housing infrastructure, amenities, or services beyond developing the proposed project.</li> <li>By being located within the boundaries of the Plan, the project benefits from clear incentives such as a streamlined entitlements process, additional funding, or relaxed design requirements.</li> <li>Documentation requirement: The Bank's Community Revitalization or Economic Development Plan Area form must be signed by an appropriate planning official and confirm that the Plan meets the criteria above.</li> </ul>			
0	Not Applicable			
3. Proximity to Transit and Amenities Maximum Points: 4				
Num	ber of transit lines located within a 1/3 mile radius of the project			
line or To rec target	et must be located within a 1/3 mile radius of a transit station, rail station, commuter rail station, bus station, or public bus. One-half point will be awarded for each route available, up to a maximum of 2 points.  The property points, the transit line must be in place at the time of application. Distances must be measured using a standardized radius from the development site to the			
radius line sh	transit line stop. Points will not be given if the radius line crosses a significant physical barrier or barriers. Such barriers include highways, railroad tracks, nal parks, golf courses, or any other feature that significantly disrupts the pedestrian walking pattern between the development site and the transit line stop. The line may be struck from the corner of the development site nearest the target transit line, to the nearest corner of the target transit line stop. However, a radius nall not be struck from the end of an entry drive or on-site access road that extends from the central portion of the site itself by 250 feet or more. Rather, the line per struck from the nearest corner of the site's central portion.			
radius line sh shall b  Docum relative lines a to eacl	al parks, golf courses, or any other feature that significantly disrupts the pedestrian walking pattern between the development site and the transit line stop. However, a radius hall not be struck from the end of an entry drive or on-site access road that extends from the central portion of the site itself by 250 feet or more. Rather, the line			
radius line sh shall b Docum relative lines a to eacl points	all parks, golf courses, or any other feature that significantly disrupts the pedestrian walking pattern between the development site and the transit line stop. The line may be struck from the corner of the development site nearest the target transit line, to the nearest corner of the target transit line stop. However, a radius hall not be struck from the end of an entry drive or on-site access road that extends from the central portion of the site itself by 250 feet or more. Rather, the line be struck from the nearest corner of the site's central portion.  Internation requirement: A printout from the websites of Google, Mapquest, or Walkscore clearly showing the number of transit lines and the project's distance to those transit lines. The map must be legible and have a clear scale and legend. Route maps from the transit agency showing the destination(s) of transit are also required. Applications with non-contiguous scattered-site addresses will need to include multiple maps showing the distance from each property address the relevant transit line. The Bank reserves sole discretion in determining the relevancy of the transit services and the suitability of the documentation in awarding			

#### Number of amenities located within a 1/3 mile radius of the project

Project must be located within 1/3 mile radius of amenities appropriate and accessible to the project's population. One-half point will be awarded for each of the following eight items, up to a maximum of 2 points:

- o public park, recreational facility, or community center
- o public library
- o a grocery store of 5,000 gross interior square feet or more
- o health care facility or medical clinic
- o full banking services (check cashing or stand-alone ATM do not qualify)
- o public school (K-12), community college, or university
- o police or fire station, or post office
- o retail (i.e., clothing store, department store, hardware store, or pharmacy)

To receive points, the amenity must be in place at the time of application. Distances must be measured using a standardized radius from the development site to the target amenity. Points will not be given if the radius line crosses a significant physical barrier or barriers. Such barriers include highways, railroad tracks, regional parks, golf courses, or any other feature that significantly disrupts the pedestrian walking pattern between the development site and the amenity. The radius line may be struck from the corner of the development site nearest the target amenity, to the nearest corner of the target amenity site. However, a radius line shall not be struck from the end of an entry drive or on-site access road that extends from the central portion of the site itself by 250 feet or more. Rather, the line shall be struck from the nearest corner of the site's central portion. Where an amenity such as a grocery store resides within a larger shopping complex or commercial strip, the radius line must be measured to the amenity exterior wall, rather than the site boundary. The resulting distance shall be reduced in such instances by 250 feet to account for close-in parking.

Documentation requirement: Printout from the website of Google, Mapquest, or Walkscore clearly showing the project's distance relative to amenity. The map must be legible and have a clear scale and legend. Applications with non-contiguous scattered-site addresses will need to include multiple maps showing the distance from each property address to each relevant amenity. The Bank reserves sole discretion in determining the relevancy of the amenities and the suitability of the documentation in awarding points for this element.

List Name of Amenities (required to obtain points):	1000 character(s) remaining

Se	lect <u>one</u> of the following five options, as applicable to the project:
0	LEED Certified, GreenPoint Certified, Silver State Sustainable Home Tier 1, or National Green Building Standard Bronze. The rehabilitation of existing buildings may also be awarded points for a 20% improvement over the project's pre-rehabilitation rating under the Home Energy Rating System (HERS).
	Documentation requirement: Documentation from certifying agency, organization, certified HERS rater, or certified GreenPoint rater must be provided upon project completion.
0	LEED Silver, GreenPoint Silver, Silver State Sustainable Home Tier 2, Enterprise Green Communities, or National Green Building Standard Silver. The rehabilitation of existing buildings may also be awarded points for a 25% improvement over the project's prerehabilitation HERS rating.
	Documentation requirement: Documentation from certifying agency, organization, certified HERS rater, or certified GreenPoint rater must be provided upon project completion.
0	LEED Gold or Higher, GreenPoint Gold or higher, Silver State Sustainable Home Tier 3, or National Green Building Standard Gold or higher. The rehabilitation of existing buildings may also be awarded points for a 30% improvement over the project's prerehabilitation HERS rating.
	Documentation requirement: Documentation from certifying agency, organization, certified HERS rater, or certified GreenPoint rater must be provided upon project completion.
0	LEED-certified with net-zero certification or Enterprise Green Communities 2020 Plus certification
	A maximum of 4 points will be awarded for LEED- or Enterprise-certified projects receiving a net-zero certification for demonstrating any or one of the following net-zero carbon emissions, net-zero energy use, net-zero water use or net-zero waste.
	Documentation requirement: Documentation from the US Green Building Council or Enterprise must be provided upon project completion.
0	Not Applicable
Des	cribe Certification Program (required to obtain points):
Des	Not Applicable

Affordable Housing Program Application

Se	elect <u>one or both</u> of the following two options, as applicable to the project:
	Creation of Affordable Homeownership Opportunities
	Project must increase affordable homeownership opportunities in the targeted area.
	Documentation Requirements: None.
	Location in High Resource Areas or Upper-Income Census Tracts
	All project units, including scattered site projects, must be located in a census tract(s), or census block group, designated as high or highest resource areas on the most current Opportunity Map, or equivalent area designated by a state or state Qualified Allocation Plan (QAP). If the state or QAP has no officially designated Opportunity Maps or other maps with designated high or highest resource areas, the project must be located in an upper-income census tract(s).  Documentation requirement: California projects must provide printout(s) of the state's Opportunity Map*. Non-California projects must provide printout(s) of the project census tract(s) from the website of the Federal Financial Institution Examination Council (FFIEC) showing the project's location in an upper-income
	* An applicant may choose to utilize the census tract(s), or census block group, resource designation from the high or highest resource maps in effect when the initial site control was obtained up to seven calendar years prior to the application.
6. P	reventing or Minimizing Household Displacement Maximum Points: 1
Se	elect one of the following three options, as applicable to the project:
0	No Household Displacement (Project site is vacant and unoccupied)
Pro	ovide an explanation of the project's situation if it is a vacant site or unoccupied existing building  1000 character(s) remaining
0	Project Site Is Occupied and an Acceptable Relocation Plan is in Place
wit	cumentation requirement: For an occupied existing building, including projects involving temporary on-site relocation, provide an acceptable relocation plan along h appropriate expenses allocated for relocation assistance in the development budget. The Bank will find acceptable, at its discretion, one of the following: y plan that is approved by federal, state, or local government funder(s) involved in the financing of the project; or
A r	relocation plan containing the following:
	<ul> <li>Resident notification strategy for informing tenants of their relocation with appropriate lead time commensurate with the extent of the renovations and required relocation stay;</li> <li>Accommodation (monetary, labor assistance, or other) measures to be implemented. Monetary accommodation should consider reimbursement for extraordinary expenses such as movers, food, utilities, advisory or support services, storage of personal belongings, transportation, and security;</li> <li>Temporary relocation planning such as moving within the property to a different unit (either permanently or temporarily), storing of personal property on-site, moving to a hotel for a designated period of time, or other alternatives;</li> <li>Permanent relocation planning in the case of an occupant requesting such accommodation;</li> </ul>
	A relocation budget categorizing the relocation costs and an anticipated average cost per household.  Displacement with No Mitigation

Project Readiness (Maximum Points: 7)

Status: Not Started

#### Estimated Score: 0

Points will be awarded to projects based on the extent to which, at the time of application, they have documented that they have met certain development benchmarks, including site control and entitlements, and other benchmarks as may be applicable to the project.

. ,	
Is this project a downpayment assistance program for purchase of	of existing homes?
Site Control	
Submit documentation for each parcel, with street addresses commultiple sites. Points will not be awarded without supporting documentations.	
A. Units Under Full Site Control	
Units Under Full Site Control	Supporting Document(s) Submitted*
	* Only the listed documents that have a street address or Assessor's Parcel Number that match the project's property address will qualify for points.
Current Owner or Lessee	Name of Seller or Lessor
Acquisition or Lease Date	Purchase or Annual Lease Price \$
Is the seller or lessor affiliated in any way with the owner or lesse project?	e or any other persons or entities involved in this
➡ If yes, describe the relationship. Please provide an appraisal	for the property. 1000 character(s) remaining

B. Units Under Partial Site Control	
Units Under Partial Site Control	Supporting Document(s) Submitted*
0	
	* Only the listed documents that have a street address or Assessor's Parcel Number that match the project's property address will qualify for points.
Proposed Owner or Lessee	Name of Seller or Lessor
Proposed Acquisition or Lease Date	Proposed Purchase or Annual Lease Price \$
Is the seller or lessor affiliated in any way with the proposed owner	or lessee or any other persons or entities
involved in this project?	
if yes, describe the relationship. Submit an appraisal for the pre-	operty. 1000 character(s) remaining
Building Permit Readiness Issuance	
Number of units for which a building permit has been issued or is re	eady to be issued
Most recent date of permit issuance (if multiple building sites, subn respective dates)	nit list specifying properties and
Number of units for which a building permit-ready letter has been is	ssued
Most recent date of permit-ready letter (if multiple building sites, su and respective dates)	bmit list specifying properties

Submit the Project Readiness form signed by the local building permit agency as evidence of readiness to begin construction for all units. The Project Readiness form must be re-issued/re-executed with each new round. A proxy letter from tribal entities may be substituted for projects on Native American tribal lands. Points will not be awarded without documentation. Submit documents for each parcel. Credit cannot be awarded for building permit or permit readiness if full site control is not documented.

Affordable Housing Program Application 32 of 35

Identified Homebuyers	
Number of homebuyers identified as potential purchasers of the owner-occupied units	Q
If homebuyers have been identified, submit a list of identified qualified homebuyers, including name, current address, family size, and ho income. Points will not be awarded for homebuyers whose incomes exceed the income targets or do not qualify for mortgage a necessary to purchase homes for this project as specified in Owner-Occupied Projects: Targeting & Financial Sources Worksl	amounts
In-District Projects (Maximum Points: 5)  Status	s: Not Started
Estimated Score: 0	
All units are located in the Bank's district comprised of Arizona, California, and Nevada	<b></b>
Native Housing (Maximum Points: 5)  Status	s: Not Started
Estimated Score: 0	
Points will be awarded to projects where all units meet one or more of the following eligibility criteria. Indicate which eligibili will be met by the project below. Supporting documentation must be submitted with the application to receive points	
1. Tribal Project Owner	Q
Project owner is a Tribal Government, an agency of a Tribal Government, a Tribally Designated Housing Entity for the purposes of the Namerican Housing Assistance and Self-Determination Act (NAHASDA), or an entity incorporated under or otherwise created in accordar Tribal law.	
A Tribal Government includes a Federally Recognized Tribe or an Alaska Village or Regional Corporation. Federally Recognized Tribe or American Indian and Alaska Native entities legally recognized by the United States Federal government and eligible to receive services United States Bureau of Indian Affairs. Alaska Village or Regional Corporation means Alaska Native entities established under the Alaska Claims Settlement Act of 1971 (ANSCA) and eligible to receive services from the United States Bureau of Indian Affairs. These entities is be known as an Alaska Native Corporation or ANSCA Corporation.	from the ka Native
Documentation of the project owner's Tribal status must be provided to receive points. Ownership information must be consistent with w shown in the nonprofit sponsorship and project readiness categories, as applicable.	/hat is
Project owner type	

2. Tribal Funding	
Project includes Tribal Funding in its sources of funding, such as, but not limited to, Indian CDBG, Indian CSBG, Indian RAHASDA funding. The amount of tribal funding included in the sources of funds must be at least \$5,000 per owner total number of units).	
Documentation must show that that the Tribal Funding is secured at the time of application and the funding threshold	d above is met.
Describe the Tribal Funding source	1000 character(s) remaining
Total Tribal funding	
Total number of units	
Tribal funding per unit	
3. Hawaiian Home Lands	0
All project units are located in a Hawaiian Home Lands housing area in which the Department of Hawaiian Home La assistance for affordable housing under NAHASDA.	nds is authorized to provide
Documentation of the project's location within a Hawaiian Home Lands housing area must be provided in order to re	ceive points.

# **FHLBank** San Francisco

## **AHP Owner-Occupied Application Financial Workbook**

Version 5.4 Updated 1/1/24

#### **General Instructions and Notes**

- 1. All shaded cells are protected and cannot be altered.
- 2. Complete all worksheets sequentially.
- 3. Information provided in the application must be consistent across all submitted materials. Applications with submission errors, omissions, or inconsistencies that result in an incomplete analysis of the application may not be accepted, at the Bank's discretion.
- 4. This workbook can be used for both AHP General Fund and AHP Nevada Targeted Fund owner-occupied applications.

#### **Targeting & Financing Sources Worksheet**

- 1. Enter the current 50% (very-low) AMI, adjusted for family size, based on the HUD income limit guidelines.
- 2. Enter the targeted AMI for each unit type, (i.e. 50%, 60% etc.)
- 3. If sponsor is providing discounted financing, (i.e. zero % mortgages), select "Y" in the box and complete the Discounted Financing worksheet
- 4. If project is a self-help project financed by the USDA RD 502 program, select "Y" in the box.
- Payments must be calculated and entered manually for any additional payments for second or third mortgages under "Other Payments."
- 6. Enter the terms, rates, payment terms, and status of funding commitment for each funding source for homebuyer purchases.
- 7. Provide documentation for approved sources of financing.
- 8. To ensure consistent and reasonable rate assumptions, interest rates and spreads should be set in accordance with the Interest Rate Assumptions Guidelines.
- 9. If applicable, select which units are reserved for Homeless, Special Needs-Seniors, or Special Needs-Others. Number of units reserved must be consistent with the Homeless or Special Needs scoring categories to receive scoring credit. Credit is given for only one of these categories, not both.

#### **Sources of Funds Summary Worksheet**

- 1. The worksheet collects data required by the Federal Housing Finance Agency. Select which sources are applicable to your project.
- 2. Include only permanent financing sources; exclude construction and bridge financing.
- 3. For HUD, USDA, and VA financing, select "Other Federal Housing Programs."
- 4. If a source does not fall clearly within the listed categories, select "Other."

#### **Development Budget Worksheet**

- If AHP funds will be used as downpayment assistance for the purchase of existing homes with no rehabilitation, enter the acquisition
  prices in the development budget under "Purchase of Existing Homes." The targeting worksheet must also reflect the same estimate of
  the sales prices of the homes to be purchased by eligible homebuyers.
- 2. Enter the project's residential square footage.
- 3. Select the building type, "Condos," "Single Family Homes," or "Townhomes."
- 4. If sources do not equal uses, enter an explanation at the bottom of the worksheet.
- 5. If sponsor is providing discounted financing, complete the Discounted Financing worksheet.
- 6. Do not include non-cash "costs," e.g. volunteer labor, pro-bono services, or expenses to be reimbursed.
- Construction management (sponsor managed and project specific) line item should not include other overhead costs (unrelated to construction). Include other overhead costs in developer fee. Documentation to support this line item will be required if the project is approved.
- 8. If a lot is sold by the sponsor to the homebuyer for a sales price that exceeds the cash cost to purchase and develop the lot, the difference between the sales price and the cash cost is considered developer fee.
- 9. Include site improvements under the "On-site Improvements" and "Off-site Improvements," not under "Land Costs" line items.
- 10. Ensure purchase price/acquisition cost is consistent with readiness and donation sections in the AHP Application and that documentation is provided.
- 11. "Closing costs" are those to be paid by the developer, not the homebuyer.

#### Discounted Financing Worksheet

- 1. Complete the Discounted Financing worksheet only for projects which provide discounted financing for homebuyers.
- 2. "Total Adjusted Sources of Financing" must equal "Total Uses."

#### Promotion of Empowerment Budget Worksheet

- 1. This worksheet ties to the scoring of promotion of empowerment for AHP General Fund applications only. No empowerment points will be awarded if this is not filled out. AHP Nevada Targeted Fund applications do not need to fill out this worksheet.
- 2. Include the source(s) of revenue that will be used to pay for promotion of empowerment services described in the application.
- 3 Include all expenses related to these services.
- 4 Total revenue minus total expenses should equal zero.

#### **Benchmarks Worksheet**

1. Provide detailed explanations and supporting documentation for all benchmark deviations (e.g. requirements of other funding sources). Except for interest rate assumptions, benchmark deviations are indicated by "No" under the column "Within Benchmarks?". Deviation explanations must be quantifiable in relation to the amount the benchmark is exceeded. Supporting documentation from a third party is required for the Construction Cost per Square Foot benchmark deviation, and is preferred for all other benchmark deviations.

#### **Targeting Score Worksheet**

1. Informational only, no input necessary.

#### **AHP Application Comparison Worksheet**

- 1. After completing all other worksheets, press the "Run Comparison Now" button. A new window will open on your screen. Find the project's AHP Application, select that file, and press "Open." (Make sure macros are enabled in the AHP Financial workbook).
- If there are any "No's" in the "Match" column, review and edit the responses on the AHP Application and AHP Financial Workbook to ensure consistent data between the two documents.

# **FHLBank** San Francisco

# **AHP Owner-Occupied Projects: Discounted Financing Calculation**

Version 5.4 Updated 1/1/24

This Worksheet is to be completed by sponsors providing discounted financing to homebuyers as indicated on the Targeting & Financing Sources Worksheet.

Project Name	
	_
Is Sponsor Providing Discounted Financing?	
Sponsor's Discounted Financing	
Market Rate (Assigned by FHLBSF)	
Note/Mortgage Amount (Provided by Sponsor As Cash Contribution)	
Mortgage Term (months)	
Sponsor's Discounted Rate	
Mortgage P&I Payment (discounted)	
Net Present Value of Below Market Rate Mortgage	
Adjustment for NPV of Below Market Rate Mortgage	
	_
Adjusted Sources of Funds (Including Sources from Targeting & Financing Worksheet)	
Total Uses of Funds (From Development Budget Worksheet)	
	1
Difference Between Adjusted Sources of Funds and Total Uses	
If sources are less than uses, indicate how deficit will be covered:	_
Other Cash Source	
Other Cash Source	
Other Cash Source	
Total Adjusted Sources of Funds	
	1
Total Adjusted Sources less Total Uses (must = zero)	
Additional Explanations if Needed	

**Project Name** 

# **AHP Owner-Occupied Projects: Promotion of Empowerment Budget**

## **AHP Owner-Occupied Projects: Targeting Score**

Version 5.4 Updated 1/1/24

Actual Area Median Income Ratios	Proposed No. of Units	% of Total Units
Units with AMI ratio at or below 65%	0	
Units with AMI ratio of greater than 65%		
Total Units	0	

If 20% or more of the units are for households at or below 65% of AMI, 20 points are awarded. If fewer than 20% of the units are for households at or below 65% of AMI, 18 points are awarded.

Targeting Score

## **AHP Owner-Occupied Application Comparison**

Version 5.4 Updated 1/1/24

#### Instructions

Click the "Run Comparison Now" button below to validate that the below referenced fields have matching values between the project's AHP Application and this Owner-Occupied AHP Application Financial Workbook.

Comparison Last Executed ----- Not Yet Compared

Total Number of Special Needs Units	0		Not Yet Compared 🌷
Households Requiring Large Units	0		Not Yet Compared 🌷

# Affordable Housing Program Application: Community Stability Community Revitalization or Economic Development Plan Area

This form is to be completed when requesting points under the Community Stability section of the Affordable Housing Program (AHP) General Fund application. Please review the current AHP General Fund Reference Guide and the AHP Implementation Plan for further instructions.

This form is to be completed by a planning official as indicated below, not by the project sponsor.

Project Information			
Project Name			
APN(s)			
Address(es)			
City	County		
Section I			
Title of Community Revitalization or Econom	ic Development Plan (Plan):		
The Plan has been adopted and is still in effe	ect: Yes No No		
The project is consistent with and meets the	targeted priorities of the Plan: Yes No		
Are all of the project's units located within the	e geographic area of the Plan?		
Yes No			
<ul> <li>For a project to be eligible for points, the Plan must meet all of the following criteria:</li> <li>As of the application deadline, a government entity has formally adopted the Plan to revitalize a defined geographic area containing the proposed site. A standard Housing Element or General Plan does not qualify unless it contains a specific revitalization area where the site will be located.</li> <li>Completing the project proposed in the application would contribute to one or more of the Plan's stated goals.</li> <li>A government entity has made or is committed to making specific investments in non-housing infrastructure, amenities, or services beyond developing the proposed project.</li> <li>By being located within the boundaries of the Plan, the project benefits from clear incentives such as a streamlined entitlements process, additional funding, or relaxed design requirements.</li> </ul>			
Does the Plan area where the project is located meet the above critieria? Yes No			
Section II			
Indicate who is signing this form:			
Plan Author Plan Approval Committee Representative Plan Manager Local Planning Official			

#### Section III

This form must be re-issued/re-executed with each new round.

I, the undersigned, certify that (1) I am a duly authorized representative of the Plan Author, Plan Approval Committee, Plan Manager, or Local Planning Official as specified in the check box above; (2) I possess the requisite authority to provide this certification pursuant to the explanation provided above; (3) I have met with the project sponsor and discussed this form and the statements included herein; (4) I have reviewed the property address(es) within the project's plan and all of the project's units are within the boundaries of the Plan referenced above; and (5) as of the date listed beside my signature below, the Plan noted on this form is in effect.

For the purposes of applying for the Federal Home Loan Bank of San Francisco's Affordable Housing Program, I confirm that the above information is correct to the best of my knowledge.

## Affordable Housing Program (AHP) Secure Portal Workspace Set-up Request

To facilitate information sharing between and among the member, the sponsor, and the Federal Home Loan Bank of San Francisco (Bank) with regard to the project application, the Bank uses a secure information sharing portal (Portal). Complete this form to request that the Bank create a project workspace on the secure Portal to upload all required documentation for the project identified below. Also use this form, as needed, to update information regarding Portal Authorized Representative(s) after a project workspace is created.

At least one Member Portal Authorized Representative and at least one Sponsor Portal Authorized Representative (together, "Portal Authorized Representatives") are required to access a project workspace. Members and sponsors may also designate up to three additional Portal representatives.

- The Member Portal Authorized Representative (designated on page 2) is an authorized employee of the member, designated to submit documents to the Bank on behalf of the project. The member's employee(s) must have an official email address on the member's domain. A third-party email address (Gmail, Yahoo, or another organization or company's domain) is not allowed.
- The Sponsor Portal Authorized Representative (designated on page 2) is an authorized employee of the project sponsor, designated to submit documents to the Bank on behalf of the project. The sponsor's employee(s) must have an official email address on the sponsor's domain; a third-party email address (Gmail, Yahoo, or another organization or company's domain) is not allowed.

A Member or Sponsor Portal Authorized Representative may have access to more than one project workspace, but a separate Workspace Set-up Request is required to identify Portal Authorized Representatives for each workspace.

Project workspaces will need to be created twice for a successful AHP project. The first workspace is created prior to submitting an AHP application, and a second workspace is created prior to disbursement of AHP funds. When creating a project workspace, the form must include both member and sponsor signatures. When a member or sponsor uses this form to add a new Portal Authorized Representative after a workspace is created, only the party adding the new Portal Authorized Representative needs to execute the form. A PDF attachment of each completed request should be emailed to <a href="mailto:ahpportal@fhlbsf.com">ahpportal@fhlbsf.com</a>.

By signing on page 2, member and sponsor each acknowledge and agree that any access or other use of the Portal by the member or sponsor, or any Member Portal Authorized Representative or Sponsor Portal Authorized Representative, is subject to the AHP Portal User Agreement and the Bank's Public Website Privacy Policy.

Project Name	Project Number (if applicable)
