<sup>1</sup> The number of foreclosure prevention actions reported in this table may not tie to the Enterprises' financial statements due to timing differences in reporting systems.<sup>2</sup> Forbearance plans initiated include HAMP trials initiated by servicers under the MHA program. HAMP trial modifications are based on the first trial payment posted date. HAMP permanent modifications are based on the effective date of modification. As of May 31, 2014, Fannie Mae had more than 255,600 HAMP active permanent modifications and Freddie Mac had approximately 174,300 HAMP active permanent modifications.<sup>3</sup> Includes loans that were 30+ days delinquent at initiation of the plan. In addition, the completed forbearance plans data have been revised to exclude HAMP.

FHFA produces monthly and quarterly versions of the Foreclosure Prevention Report. In addition to the data provided in the monthly reports, the quarterly reports include the following information: MHA program updates; benchmarking of the Enterprises' delinquency rates; the type and depth of loan modifications; and the performance of modified loans.

## Glossary

*Data and definitions in this report have been revised relative to prior versions of the report. FHFA continues to work with the Enterprises to improve the comparability of reported data.*

### Section 1: Mortgage Performance

**Total Loans Serviced** - Total conventional active book of business, excluding loans that were liquidated during the month.

**Current and Performing** - Loans that are making timely payments and are 0 months delinquent as of the reporting month.

**Total Delinquent Loans** - Loans that are at least one payment past due, i.e., total servicing *minus* current and performing.

**30-59 Days Delinquent** - Includes loans that are only one payment delinquent.

**60-89 Days Delinquent** - Includes loans that are only two payments delinquent.

**60-plus-days Delinquent** - Loans that are two or more payments delinquent, including loans in relief, in the process of foreclosure, or in the process of bankruptcy, i.e., total servicing *minus* current and performing, and 30 to 59 days delinquent loans. Our calculation may exclude loans in bankruptcy process that are less than 60 days delinquent.

**Serious Delinquency** - All loans in the process of foreclosure *plus* loans that are three or more payments delinquent (including loans in the process of bankruptcy).

**In Bankruptcy** - Loans in the process of bankruptcy; includes all delinquency status.

### Section 2: Completed Foreclosure Prevention Actions

**Home Retention Actions** - Repayment plans, forbearance plans, charge-offs in lieu of foreclosure, Home Saver Advances, and loan modifications. Home retention actions allow borrowers to retain ownership/occupancy of their homes while attempting to return loans to current and performing status.

**Repayment Plans** - An agreement between the servicer and a borrower that gives the borrower a defined period of time to reinstate the mortgage by paying normal regular payments plus an additional agreed upon amount in repayment of the delinquency.

**Forbearance Plans** - An agreement between the servicer and the borrower (or estate) to reduce or suspend monthly payments for a defined period of time after which borrower resumes regular monthly payments and pays additional money toward the delinquency to bring the account current or works with the servicer to identify a permanent solution, such as loan modification or short sale, to address the delinquency.

**Charge-offs-in-lieu of Foreclosure** - A delinquent loan for which collection efforts or legal actions against the borrower are agreed to be not in the Enterprises' best interests (because of reduced property value, a low outstanding mortgage balance, or presence of certain environmental hazards). The servicer charges off the mortgage debt rather than completing foreclosure and taking the property title. The borrower retains the property. The unpaid mortgage balance becomes a lien on the borrower's property, which must be satisfied when the borrower transfers ownership.

**HomeSaver Advance (Fannie Mae)** - An unsecured personal loan to a qualified borrower to cure his or her payment defaults under a mortgage loan the Enterprises own or guarantee. The borrower must be able to resume regular monthly payments on his or her mortgage. The program ended in 2010.

**Loan Modifications** - Number of modified, renegotiated, or restructured loans, regardless of performance-to-date under the plan during the month. Terms of the contract between the borrower and the lender are altered with the aim of curing the delinquency (30 days or more past due).

**Nonforeclosure-Home Forfeiture Actions** - Short sales and deeds-in-lieu of foreclosure. These actions require borrowers to give up their homes. Although homes are forfeited, foreclosure alternatives generally have less adverse impact on borrowers and their credit reports than foreclosure.

**Short Sales** - A short sale (also called a preforeclosure sale) is the sale of a mortgaged property at a price that nets less than the total amount due on the mortgage (e.g., the sum of the unpaid principal balance, accrued interest, advanced escrows, late fees, and delinquency charges.) The servicer and borrower negotiate payment of the difference between the net sales price and the total amount due on the mortgage.

**Deed(s)-in-lieu of Foreclosure** - A loan for which the borrower voluntarily conveys the property to the lender to avoid a foreclosure proceeding.

### Section 3: Loan Modifications

**Increase** - Principal and interest after modification is higher than before the modification.

**No Increase** - Original principal and interest is unchanged after the modifications.

**Decrease <=20%** - Original principal and interest is decreased by 20 percent or less after modification.

**Decrease >20%** - Original principal and interest is decreased by more than 20 percent after modification.

**Extend Term Only** - Remaining term of the loan is longer after modification.

**Reduce Rate Only** - Loan's rate is lower after modification.

**Reduce Rate and Extend Term** - Loan's rate reduced and term extended.

**Reduce Rate, Extend Term, and Forbear Principal** - Modification includes term extension, rate reduction, and forbearance of principal.

**Other** - A modification that does not fit in any of the above categories. The majority of these loans are capitalized modifications.

### Section 4: Third-party Sales and Foreclosures

**Third-party Sales** - A third party entity purchases the property at the foreclosure sale/auction above the initial bid set forth by Fannie Mae or Freddie Mac.

**Foreclosure Starts** - The total number of loans referred to an attorney to initiate the legal process of foreclosure during the month. These are loans measured as not being in foreclosure in the previous month but referred to foreclosure in the current month.

**Foreclosure Sales** - The number of loans that went to foreclosure (sheriff's) sale during the month.
