1If race is known for one borrower but not the other, loan is classified according to the known race.
2Borrower and co-borrowers of different minority groups are placed in the race of the borrower.
3Includes loans where either borrower or co-borrower is Hispanic or Latino.
4Either the primary borrower or both primary borrower and co-borrower report belonging to more than one minority group.
5Joint means one borrower is white and the other is a minority group, in any order.
Borrowers selecting white and one minority group are placed in the minority group category.
6Includes mortgages where borrower and co-borrower race information is not provided in mail, internet, or telephone application even if ethnicity data are reported.
7Totals do not include rent/income affordability estimates.

* Freddie Mac's Sellers' and Servicers' Guide defines a first-time homebuyer as "an individual who meets all of the following requirements:
  ● is purchasing the mortgaged premises;
  ● will reside in the mortgaged premises;
  ● had no ownership interest (sole or joint) in a residential property during the three-year period preceding the date of the purchase of the mortgaged premises.
In addition, a displaced homemaker or a single parent may also be considered a first-time homebuyer if the individual had no ownership interest in a residential property during the preceding three-year period other than an ownership interest in the marital residence with a spouse.

** Excluding second homes.
