FHLBank System at 100 Roundtable: Access to the FHLBank System

Monday, March 20, 2023 | 9:00 – 10:00 a.m. AT

1. What are the opportunities and challenges affecting affordable housing development and community development initiatives in Alaska? Please discuss challenges occurring in Alaskan communities as a result of climate change.
2. What role do you see the FHLBank System playing in supporting affordable, equitable, sustainable, and resilient housing and homeownership in Alaska?
3. What role do you see the FHLBank System playing in supporting community development in Alaska? Where does economic development factor in?
4. How might the FHLBank System play a larger role in addressing these challenges? Are there any barriers that prevent the FHLBank System from working more effectively in Alaska? If so, how might those barriers be overcome?
5. Are there particular populations, market segments, or purposes that the FHLBank System may be well positioned to support?
6. What should the FHLBanks' mission-related programs look like? Are there new programs that the FHLBank System should consider? What would be key features?
7. What specific challenges or opportunities did the pandemic bring about in Alaska and how might the FHLBank System be of benefit in addressing them?

To submit in advance:

Are there additional gaps that the FHLBank System can help fill in your community?

- What are critical considerations you would recommend to enhance the FHLBank System role in addressing affordable housing and other community needs in Alaska?
- How can the FHLBank System further support the housing and economic development needs of Alaska Native communities? What specific challenges must be considered?
- Are there structural changes to the FHLBank System (e.g., consolidation, change in membership) that should be considered to enhance the role the System plays?
